Tales the Totems Tell Hugh Weatherby, 1956 **Tales the Totems Tell** Hugh Weatherby, 1956 **Tales the Totems Tell. Illus. by the Author** Hugh Weatherby, 1944 **Totem Tales** W. S. Phillips, 2015-06-26 Excerpt from Totem Tales Indian Stories Indian Told Gathered in the Pacific Northwest There are two wee tots of few summers not far from where I write who have listened to the tales of the Talking Pine with silent interest and wonderment Their eyes grow big and bigger as they listen to the wonderful doings of the strange characters of which I write and when the story is finished they climb up in my lap and two tiny heads covered with curls that shine like the flecks of gold among the mountain river sands nestle close to me and baby arms circle round my neck They snuggle close to me awed half believing that it is all real but so interested in the fairy folk that they want just one more story and I must not deny it May their baby sweetness never grow less and may their Tah mah na wis be always ready to protect them on their journey through the life allotted to mortals which is after all only a grown up arrangement of the Talking Pine tales that they now love to hear and half believe About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Totem Tales Walter Shelley Phillips, 1896 **Picturing Canada** Gail Edwards, Judith Saltman, 2010-01-01 Gail Edwards and Judith Saltman illuminate the connection between children s publishing and Canadian nationalism analyse the gendered history of children s librarianship identify changes and continuities in narrative themes and artistic styles and explore recent changes in the creation and consumption of children s illustrated books Over 130 interviews with Canadian authors illustrators editors librarians booksellers critics and other contributors to Canadian children s book publishing document the experiences of those who worked in the industry [A Bibliography of Canadian Folklore in English](#) Edith Fowke, Carole Henderson-Carpenter, 1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English The 3877 different items are arranged by genres folktales folk music and dance folk speech and naming superstitions popular beliefs folk medicine and the supernatural folk life and customs folk art and material culture and within genres by ethnic groups Anglophone and Celtic Francophone Indian and Inuit and other cultural groups The items include reference books periodicals articles records films biographies of scholars and informants and graduate theses Each item is annotated through a coding that indicates whether it is academic or popular its importance to the scholar and whether it is suitable for young people The introduction includes a brief survey of Canadian folklore studies putting this work into academic and social perspective The book covers all the important items and most minor items dealing with Canadian folklore published in English up to the end

of 1979 It is concerned with legitimate Canadian folklore whether transplanted from other countries and preserved here or created here to reflect the culture of this country It distinguishes between authentic folklore presented as collected and popular treatments in which the material has been rewritten by the authors Intended primarily for scholars of folklore international as well as Canadian the book will also be of use to scholars in anthropology cultural geography oral history and other branches of Canadian culture studies as well as to librarians teachers and the general public *Woodland Tales* Ernest Thompson Seton,2022-09-16 In *Woodland Tales* Ernest Thompson Seton masterfully weaves a tapestry of narratives that capture the essence of nature and wildlife through the eyes of various forest creatures His vivid anthropomorphic storytelling style resonates with the reader creating intimate connections with the flora and fauna of North America The book rich in observations influenced by both naturalism and romanticism reflects Seton s profound understanding of animal behavior and the interconnectedness of ecosystems Each tale not only entertains but also serves as a moral lesson urging readers to cultivate respect for the natural world Ernest Thompson Seton was a pivotal figure in the development of the early conservation movement and an influential wildlife artist His deep seated love for nature combined with his narrative prowess derives from a lifetime spent observing the wilds of North America Seton s commitment to educating the public about the importance of wildlife conservation and his experiences as a founder of the Woodcraft Indians a movement that emphasized outdoor skills greatly informed his writing enriching the thematic content of this collection *Woodland Tales* is highly recommended for readers of all ages and backgrounds especially those who share a passion for adventure and animal life It is not merely a children s book rather it is a profound exploration of the natural world that encourages empathy understanding and a sense of stewardship towards the environment *The Colonial Present* Kerry Coast,2013-10-23 No treaties were made with indigenous nations residing in those territories where now there is a Canadian province called British Columbia Instead a breathtaking policy of criminalization assimilation and land rights and sovereignty extinguishment has been vigorously carried out against them Present day governments continue that approach now 150 years old in processes which have recently been re named and cosmetically improved but remain unconstitutional and are prohibited by the 1948 Genocide Convention which terms as genocide inter alia deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part Neither Britain nor Canada nor the settlers of British Columbia themselves have ever honourably addressed the peoples whose lands and resources form British Columbia The indigenous nations in what is now called British Columbia have never joined Canada but had citizenship imposed on them The province of BC has never fulfilled Canada s constitutional requirements of purchasing lands from the indigenous owners before settling The ongoing colonization of British Columbia relies on the settler population s indifference to the indigenous peoples plights and rights *The Colonial Present* documents the colonizer s manufacture of a new mythology to dehumanize the native peoples and strip them of their rightful place The interests of resource industries have dominated accounts of

indigenous peoples throughout the mainstream media the academic presses and the courts They have substantially corrupted and impoverished the non native understanding of indigenous peoples on whose homelands they live and work and to which they seem to feel entitled The indigenous nations and individuals have suffered excruciating losses But the highest expression of official BC aspirations for reconciliation is only that they should release title to their homelands accept a small financial land and program funding settlement and submit to the British Columbia Treaty Commission agenda reducing them in legal terms to incorporated associations exercising management capacities barely distinguishable from those of BC municipalities while by fee simple title their lands and rich resources are ceded to the Queen This book is an exploration of how such a stunning string of events has happened and British Columbians continuing attempts to rationalize them
