Index de Périodiques Canadiens ,2000 *Teaching Boys* Martin Mills,2020-07-22 Persistently cheeky disruptive even aggressive boys can be found in classrooms everywhere as can the victims of bullying These boys behaviours often pose a problem to themselves as well as to others As the hotly contested debates about boys education swirl around them what can teachers actually do to improve boys performance in the classroom Teaching Boys provides a practical framework for teachers to improve boys education in ways that are appropriate for their school context and also sustainable Drawing on
