Talking with the Bible Donn Morgan,2013-02-01 The Bible is full of sound and fury just like the world that looks to it for answers It is also a powerful resource for understanding and moving beyond conflict Talking with the Bible helps readers understand how and why we have conversations with the Bible in our communities of faith There is no one way to talk with the Bible and no one way the Bible talks to us Rather there are a number of differing sometimes contradictory ways in which we understand the Bible in conversation and as a dialogue partner Through studying scripture together and alone we can become more sensitive and adept at listening to and understanding one another

Talking God Jacqui Bulman,2021-06-18 Listening is a valuable and often neglected tool for spiritual learning Talking God invites you to reflect on the personal beliefs many of us hold towards God through listening in on a series of eleven inspiring interviews with people of Christian or Jesus connected faith Each of these dedicated spiritual pilgrims give responses to fourteen searching questions about God Jesus Christ and Christianity which offer a wide range of perspectives on issues of faith and spiritual truth Finding unity in diversity can be difficult It is only by earnestly trying to hear each other that we can learn to celebrate our differences while also looking for threads in the worship of God s love that bind us together

The Talking Donkey and The Babysitter S. Louise Nabours, 2021-11-10 Usually when you see a donkey that can talk it is either a cartoon character or a fictional story However this story is fictional and the talking donkey is real The Bible has lots of true stories that appear to be fictional but in their particular incident are real Since God made the donkey then he can also make the donkey talk anytime He wants to do so The donkey is very loyal to Balaam and tries to keep him from being harmed by unseen dangers When Balaam out of frustration gets angry with the donkey he takes his anger out on the donkey Then God allowed the donkey to talk to Balaam and explain to him that he was only watching out for his safety The story about the donkey can be found in the Bible in the book of Numbers chapter 22 The talking donkey is very unusual but totally true There are many stories of unbelievable incidents that appear to happen that defy our rules Look for the next book about iron that floats Iron is a heavy metal and can't float in water
