The Flying Carpetbagger II Patricia Eisenhower, Capt. Ike Eisenhower, L. Bar Eisenhower, 2015-07-30 Fly with Captain Ike through his Navy career Roll the beautiful 707 over the ocean and then hijack her back to the United States for our government You will live these adventures with Captain Ike as he wrote about them or in many cases as told by his crew members or family This unique individual believed in sharing what he had learned often the hard way in order to save lives perhaps yours and mine Ike was most at home in the air He was welcomed throughout the world sometimes with a weapon pointed in his direction He took it all in stride and lived to tell about it Flights to Nigeria Libya Malta South America and Switzerland each involved an unforgettable story He was possibly the last swashbuckler to fly the world and though he denied it often Ike loved to be in the catbird seat on a journey **The Flying Carpetbagger** A. From a Dark Sky Orr Kelly, 2014-06-24 A fascinating history of the most secretive and unsung branch of the US military s Special Forces from World War II through Desert Storm Very little is known about USAF Special Operations yet their exploits have been as daring and their achievements as remarkable as anything accomplished by their brother warriors Since World War II these ultra secretive air commandos have routinely performed the near impossible undertaking missions that typically carry them across enemy lines From secretly inserting covert operatives into North Korea and participating in clandestine CIA operations in Vietnam and Cambodia to providing air support for partisans in Nazi occupied France and rescuing dozens of downed fliers trapped deep in enemy territory these courageous airmen have done the jobs that no one else could do often in the most technologically advanced war machinery the Air Force has at its disposal Sometimes called ravens or carpetbaggers the air commandos have a history that has long been buried beneath layers of official cover stories rumors and deceptions until now An expert in military affairs Orr Kelly has already written what many believe to be the definitive history of the US Navy SEALs *Brave Men Dark Waters* Now he turns his attention to this unsung branch of the military s Special Forces relating a true story of courage skill and commitment that spans decades With uncompromising honesty he explores both the triumphs Project 9 in Burma and the disasters the failed rescue of hostages in Iran of these incomparable heroes of the sky who have never sought recognition or glory [Reminiscences of a Mississippi](#)

Olsen,2019-12-01 Originally published in 1965 The Supreme Court s

momentous school desegregation decision of 1954 was a postmortem victory for Albion Tourgée. Just fifty-eight years earlier, this once famous carpetbagger's attack on segregation was crushed in the case of *Plessy v. Ferguson*. His legal defeat in 1896 typified his frustrated but prophetic career. Tourgée was an idealistic Union veteran who ventured south in 1865. As an advocate of civil rights, political equality, free schools, and penal reform, he was elected to North Carolina's Constitutional Convention of 1868. Olsen records both the fierce struggles and the impressive accomplishments that filled Tourgée's fourteen years in the South. With the collapse of the Southern experiment, Tourgée was inspired to turn to fiction to express his convictions. *A Fool's Errand*, *by One of the Fools*, and *Bricks without Straw* were classics of their day, providing absorbing accounts and defenses of radical Reconstruction. In 1879, Tourgée went north where he renewed and extended his crusade for Negro equality by writing, lecturing, and lobbying. For many years, he was the most militant and persistent advocate of racial equality in the nation. He was also a vigorous critic of the industrial age, demanding the utilization of federal power in behalf of equality, democracy, and economic justice.
