reader who cannot find amusement in *The Forest Lovers* The Critic Mr Hewlett has produced the most strikingly poetical and original novel that has seen the light for a long time Review of Reviews The plot is boldly conceived and strongly sustained the characters are vigorously drawn and are thrown into striking contrast It leads the reader far from the dusty highway it is touched with the penetrating power of the imagination it has human interest and idyllic loveliness Hamilton W Mable *The Forest Lovers* is almost an inspiration It confirms the author's title to a high place as a master of the art of fiction writing
