The Fortune Of The Rougons Paperback:

The Fortune of the Rougons Émile Zola, 2012-08-09 He thought he could see in a flash the future of the Rougon Macquart family a pack of wild satiated appetites in the midst of a blaze of gold and blood Set in the fictitious Provençal town of Plassans *The Fortune of the Rougons* tells the story of Silvère and Miette two idealistic young supporters of the republican resistance to Louis Napoleon Bonaparte's coup d'état in December 1851 They join the woodcutters and peasants of the Var to seize control of Plassans opposed by the Bonapartist loyalists led by Silvère's uncle Pierre Rougon Meanwhile the foundations of the Rougon family and its illegitimate Macquart branch are being laid in the brutal beginnings of the Imperial regime *The Fortune of the Rougons* is the first in Zola's famous Rougon Macquart series of novels In it we learn how the two branches of the family came about and the origins of the hereditary weaknesses passed down the generations Murder treachery and greed are the keynotes and just as the Empire was established through violence the fortune of the Rougons is paid for in blood ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *The Fortune of the Rougons By Emile Zola (Annotated Edition)*

Emile Zola, 2020-11-02 *The Fortune of the Rougons* La Fortune des Rougon was originally published in 1871 and is the first book of the Rougon Macquart series It contains a lot of background information of many of the characters that appear in the later novels Despite this it is not essential to read it first The novel takes place in the fictional Plassans which is the setting for several of the early novels in the series Apart from the family history the main plot is about the coup d'état of Louis Napoleon in December 1851 and how it affects the small town of Plassans Louis Napoleon had been voted in as President of France in 1848 following the revolution that ended the monarchy This creates a three way split in allegiances of the population of Plassans as well as in the whole of France Very loosely the aristocracy support the monarchy the bourgeoisie support the Empire and the workers support the Republic There are only two readily available translations of La Fortune des Rougon Vizetelly's translation from 1886 and Brian Nelson's translation from 2012 **The Fortune of the Rougons** Émile Zola, 2011-11

This book is part of the TREDITION CLASSICS series The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide At tredition we believe that a great book never goes out of style Several mostly non profit literature projects provide content to tredition To support their good work tredition donates a portion of the proceeds from each sold copy As a reader of a TREDITION CLASSICS book you support our mission to save many of the amazing works of world literature from oblivion
