The Foundation Year In The University Of Keele:

The Foundation Year in the University of Keele Alan Hugh Iliffe, 1968 *Utopian Universities* Miles Taylor, Jill Pellew, 2020-11-12 In a remarkable decade of public investment in higher education some 200 new university campuses were established worldwide between 1961 and 1970 This volume offers a comparative and connective global history of these institutions illustrating how their establishment intellectual output and pedagogical experimentation sheds light on the social and cultural topography of the long 1960s With an impressive geographic coverage using case studies from Europe the Americas Africa and Asia the book explores how these universities have influenced academic disciplines and pioneered new types of teaching architectural design and student experience From educational reform in West Germany to the establishment of new institutions with progressive interdisciplinary curricula in the Commonwealth the illuminating case studies of this volume demonstrate how these universities shared in a common cause the embodiment of utopian ideals of living learning and governance At a time when the role of higher education is fiercely debated *Utopian Universities* is a timely and considered intervention that offers a wide ranging historical dimension to contemporary predicaments **The Virgin Guide to British Universities 2012** Piers Dudgeon, 2012-06-30 The Virgin 2012 Guide to British Universities is the only university guide to offer a uniquely students eye view of what it s like to study at a particular university As well as hard facts and practical information on every UK university such as official ratings for teaching statistics on where graduates end up and employment prospects by subject the guide is also packed with useful information such as what the social scene is like how much living costs are likely to be and what the student profile at a particular university is really like With a comprehensive entry on every UK university The Virgin Guide to British Universities contains all the information and advice potential undergraduates will need to choose the best university for them **The Foundation Year in the University of Keele** A. H. Iliffe, 1968-01-01 *Swansea University* Sam Blaxland, 2020-06-01 Swansea University Campus and Community in a Post War World 1945 2020 marks Swansea University s centenary It is a study of post Second World War academic and social change in Britain and its universities as well as an exploration of shifts in youth culture and the way in which higher education institutions have interacted with people and organisations in their regions It covers a range of important themes and topics including architectural developments international scholars the changing behaviours of students protest and politics and the multi layered relationships that are formed between academics young people and the wider communities of which they are a part Unlike most institutional histories it takes a bottom up approach and focuses on the thoughts feelings and behaviours of people like students and non academic staff who are normally sidelined in such accounts As it does so it utilises a large collection of oral history testimonies collected specifically for this book and throughout it explores how formative paradoxical and unexpected university life can be *MCQs in Neurology and Neurosurgery for Medical Students* Ibrahim Natalwala, Ammar Natalwala, 2022-02-15 Neurology and neurosurgery are notoriously daunting for the medical

student As each of the basic concepts are mastered new more detailed information needs to be mastered It is a fascinating but often overwhelming specialty which is required for everyday practice right through a medical career from junior doctor to senior consultant This colour MCQ revision aid covers the most important basic elements from neuroanatomy neurophysiology and neuroradiology through to strokes central nervous system lesions and malignancies It is ideal as a final guide to test knowledge and examination readiness The themed presentation encourages quick focused study and detailed answers aid comprehension and encourage familiarity with each topic with essential diagrams colour images and sample MRIs

Interdisciplinarity ,1977 **Social Media, Criminal Law and Legality** Laura Higson-Bliss,2024-10-29 Utilising Lon Fuller s conception of legality this book argues that current legal provisions often used to control online abuse aided by social media do not conform to the basic principles of legality in the criminal law in turn threatening freedom of expression How we regulate inappropriate behaviour online often referred to as online abuse particularly online abuse aided by social media is a contemporary concern for governments across the globe Tragedies such as the death of a celebrity following a campaign of online abuse often hit the headlines followed by the same echo there should be a law against this Yet in England and Wales numerous laws exist to control prosecute and convict individuals who use the likes of social media to harass intimidate and abuse others online So why is the law failing to keep pace with modern technology This monograph critically examines this fundamental question from the perspective of legality Applying criminal law to three growing areas of concern it covers 1 racist speech 2 cyberharassment cyberstalking and 3 the sending of abusive messages online It then turns to examine the latest attempts by UK officials to tackle these issues through the implementation of the Online Safety Act 2023 and France s Germany s and India s attempts to regulate social media The book will be of interest to researchers in the field of criminal law and cyber law

as well as online abuse harassment and discrimination **Student Book** Klaus Boehm, Jenny Lees- Spalding, 2016-03-14 A comprehensive annually updated guide to higher education offering practical advice on courses and places to study The book deals with the mechanics of applying to college and also information on matters from finance and accommodation to a glossary of unfamiliar terms
