### **The Fourth Treasure:**

The Fourth Treasure Todd Shimoda, 2002-05-14 Illustrated throughout with beautiful calligraphy The Fourth Treasure is an original surprising novel that weaves a suspenseful love story across and through two very different countries cultures and generations Tina Suzuki has just begun her first year of graduate study at the UC Berkeley Institute for Brain and Behavior Studies Born and raised in San Francisco by her Japanese immigrant mother Tina knows nothing about the rest of her family and very little about her cultural heritage But when her boyfriend s Japanese calligraphy teacher suffers a stroke and loses his ability to communicate but continues to create magnificent calligraphic art Tina knows she has stumbled across an ideal research subject However getting the sensei to participate in her study poses a series of uncomfortable obstacles for Tina the jealous opposition of her boyfriend the political and romantic minefield of dealing with her professors and fellow students and the willful reticence of her ailing mother It seems that the blank personal history her mother had always presented is in fact a tightly wound scroll full of scandalous secrets In ways she could have never expected Tina s studies will inevitably lead to revelations about her own family Juxtaposed with Tina s story is that of the stricken sensei as a younger man in Kyoto and the history of the ancient inkstone he carries with him The inkstone s history and the sensei s art reach back hundreds of years into a Japanese culture that no longer exists but that continues to reverberate on both sides of the Pacific As the dual narratives unfold they are enhanced by intriguing marginalia that illuminate both the sensei s Japanese calligraphy and Tina s studies of the brain The result is a unique unusually satisfying literary experience **The Ulric**
