The Foxes of Beachy Cove Harold Horwood, 1967 The author an amateur naturalist notes the wildlife of Newfoundland with particular emphasis on the foxes **The Foxes of Beachy Cove [by] Harold Horwood** Harold Horwood, 1967

Smallwood Richard Gwyn, 2015-02-17 The extraordinary life of Joey Smallwood is the stuff of fiction literally Wayne Johnston's acclaimed novel *The Colony of Unrequited Dreams* draws heavily on this definitive biography And no wonder Set against a colorful background in stirring times it has as its hero a character whose career defied both convention and the odds A one time pig farmer and ardent socialist turned union buster Smallwood is best remembered as the man responsible for bringing Newfoundland into confederation with Canada A full ten years before Alaska and Hawaii became the 49th and 50th states of the union a massive British Dominion on the Eastern Seaboard was at a crossroads Should they join the US as its 49th state Maintain ties with the British via a British led commission of government Should they join Canada Joey Smallwood a well known radio personality writer and organizer at the time led a spirited campaign in favor of joining Canada With 52.3% of a controversial vote marred by sectarian tensions Newfoundlanders voted with Smallwood and the boundaries of Canada as we know them today were established The first premier of Newfoundland Smallwood ran Newfoundland virtually unchallenged for 23 years Smallwood's work experience was checkered at best but included stints as a contributor to socialist newspapers in New York and London He was self taught and possessed the enthusiasm and wrong headedness of the autodidact As Gwyn shows however Smallwood possessed ambition of a rare order and utterly unconquerable self confidence These qualities combined with unerring political instinct enabled Smallwood to drag a reluctant Newfoundland into union with Canada and subsequently to impose his will over compliant colleagues and a vestigial opposition until he governed his island province with the near absolute power of a despot Like a despot too he countenanced corruption on a scale rarely equaled in Canada His fall no less than his rise to power contains elements of pathos farce and pure farfetched wonderfulness Richard Gwyn interviewed Smallwood extensively and enjoyed his subject's full co operation But this is in no sense an authorized biography It is a balanced informed and deeply considered life of a unique political figure Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **By Great Waters** Patrick O'Flaherty, 1974-12-15 p This anthology offers readers a selection of Newfoundland writing which will illuminate the unfolding of the province's history and culture and at the same time

command respect as literature It is comprised of 65 selections from literary and historical sources which range in time from an extract from the Vinland sagas to a poem written in 1968 by a Newfoundlander The selections are arranged in four parts Discovery and Exploration Transatlantic Outpost Colonial Era Breakers Ahead contemporary Each selection is prefaced by a brief introduction

Newfoundland Portfolio Joan M. Sullivan, 2006 This work represents trailblazing artists dedicated activists innovative entrepreneurs people who made their mark through their work or their calling It includes long loved eccentrics and exceptional young adults who met with tragedy as well as those who happened on momentous events and those who were swept along by them Together they touch on a myriad of incidents and adventures significant to the politics industry and culture of this province our country and the world and leave the gift and legacy of their work and ideals

Canada Today, 1979 *To Experience Wonder* Veronica Ross, 2003-10 Edna Staebler author of the Schmecks cookbooks was 60 when her first book was published and has received the Order of Canada among many honours

Canadian Literary Landmarks John Robert Colombo, 1984-01-01 Here is a list of three dozen of the top literary locales in the country The selection of sites is necessarily subjective yet it attempts to represent geographical historical social and cultural concerns as well as strictly literary interests Had this list been prepared by the editors of Michelin Guide they would have added asterisks or stars to the entries Interesting Worth a detour Worth a journey It is the opinion of the author of Canadian Literary Landmarks that all thirty six sites are Worth a journey It is recognized that the average person is unlikely to visit No 1 not to mention No 36 but as these sites happen to be the first and last entries in the book they mark a convenient and symbolic beginning and ending No 1 being L Anse aux Meadows Epaves Bay Nfld and No 36 being the North Pole NWT

Stories About Storytellers Douglas Gibson, 2011-10-01 The legendary Canadian book editor presents this remarkable four decade romp through the back rooms of publishing Toronto Sun Scottish born Douglas Gibson was drawn to Canada by the writing of Stephen Leacock and eventually made his way across the Atlantic to find a job in book publishing where he edited a biography of none other than Leacock But over the decades his stellar career would lead him to work with many more of the country's leading literary lights This memoir shares stories of working and playing alongside writers including Robertson Davies Mavis Gallant Brian Mulroney Val Ross W O Mitchell and many more Gibson reveals the projects he brainstormed for Barry Broadfoot how he convinced future Nobel Prize winner Alice Munro to keep writing short stories his early morning phone call from a former prime minister and his recollection of yanking a manuscript right out of Alistair MacLeod's reluctant hands which ultimately garnered the author one of the world's most prestigious prizes for fiction Insightful and entertaining this collection of tales goes behind the scenes and between the covers to divulge a treasure trove of literary adventures He makes his life in publishing sound like great fun The Globe and Mail Toronto
