Armstrong,Ingrid J. Peterson,2010-05-01 Saint Francis of Assisi is one of the most beloved saints His commitment to God s will his yearning to embrace poverty and his attentiveness to the Spirit s presence in his life continue to inspire Christians and non Christians alike The Franciscan Tradition highlights some of the most influential people in Franciscan history Using the writings of men and women from the First Second and Third Orders this volume shows the breadth and depth of the Franciscan way of life Presented here are saints and martyrs contemplatives and preachers theologians and reformers They heeded God s call found hope in Francis mission and now provide wisdom for those who seek to follow God Regis J Armstrong OFM Cap is a world renowned expert on Saint Francis of Assisi and Saint Clare of Assisi In addition to translating and editing Francis and Clare The Complete Works and three editions of Clare of Assisi Early Documents he was editor in chief of the four volume Francis of Assisi Early Documents and has written St Francis of Assisi Writings for a Gospel Life True Joy Armstrong is The John C and Gertrude P Hubbard Professor of Religious Studies at the Catholic University of America Ingrid J Peterson OSF is an adjunct faculty member of the Franciscan Institute Saint Bonaventure University and has been an English professor at the College of Saint Teresa and Quincy University She is a Sister of Saint Francis from Rochester Minnesota Peterson is the author of Clare of Assisi A Biographical Study and coauthor of Praying With Clare of Assisi In 2000 the Franciscan Institute awarded her the Franciscan medal for Outstanding Contribution to Scholarship in Franciscan Studies She is the first woman to receive this honor Encyclopedia of Monasticism: A-L William M. Johnston,2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **Constants in Context** Stephen B. Bevans,Roger P. Schroeder,Roger Schroeder,2004-01-01 Mission is handicapped without a sound biblical theology of mission and an understanding of the history of mission leading up to our current context Constants in Context offers both of these elements It is mission theology in historical perspective and or a history of mission that is grounded theologically The authors describe it as a systematic theology with mission at its core and a church history shaped by the constant but always contextual Christian traditions

Furthermore it is a constructive contribution to how mission theology needs to be practical and lived out through today's church and in our world. Written collaboratively by Roman Catholic writers Stephen Bevans and Roger Schroeder both Missionaries of the Divine Word SVDs. It is a particularly insightful regard to the history and the various streams of Catholic mission but it also addresses and learns from the other traditions of the church. In fact one of the book's strengths is its attention to neglected aspects and hidden stories of church and mission history. As a result it is gratifying to be inspired by non-European mission women in mission and various forgotten or often ignored branches of the church. The book is in three sections: first there is a framework for cultural contexts and theological constants; second, an in-depth exploration of historical stages and different models for mission; and third, a presentation of theological frameworks for mission. The third section concludes with a case for mission as prophetic dialogue being the most appropriate model for 21st-century mission. Amazon.com

Joy in All Things Franciscan Assoc of Gb, 2009-10-30. In *Order and Disorder: The Poor Clares Between Foundation and Reform*, Bert Roest provides an up-to-date and comprehensive history of the Poor Clares from their early beginnings until the sixteenth century. Creating Clare of Assisi Lezlie Knox, 2008-08-31. Earlier scholarship has characterized female Franciscanism as an institution established by Clare of Assisi in collaboration with Saint Francis. This understanding is anachronistic, however, and overlooks the more complicated disputes over what it meant for enclosed women to have a mendicant vocation. This book clarifies Clare's contributions to these debates by distinguishing the historical figure from the uses made of her legacy by the papacy, the Friars Minor, and most importantly, the enclosed sisters between the thirteenth and fifteenth centuries. By examining the diversity of female communities and their complicated institutional formation in medieval Italy, it examines how and when Clare was appropriated as a model of spiritual authority by the women to shape their identity as Franciscans. **The Greatest of These is Love** Lori Pieper, OFS, 2013-11-17. Though St Elizabeth of Hungary lived over 800 years ago, she has a unique appeal for Christians today. Love, rather than ideology or politics, was the basis of her whole life. Born in 1207, the daughter of King Andrew II of Hungary and married to Ludwig IV, the Landgraf of Thuringia, Elizabeth was a happily married woman who loved her husband and children. As a lover of the poor, she not only practiced charity but protested the injustices practiced against the poor in the feudal world, even her husband's own policies. Above all, Elizabeth hungered for God and found him in her everyday activities as a noblewoman ruler.

wife and mother before she found him in religious life and service to the poor in imitation of St Francis Originally published in 2007 to coincide with the 800th anniversary of St Elizabeth s birth this life now revised and expanded is based on the most up to date research and is accompanied by the testimonies given at her canonization process including some that have never before been translated into English The Outline of History Herbert George Wells,1921
