LANGER, 2018      **The Franco-Russian Alliance, 1890-1894 (Classic Reprint)** William Leonard Langer, 2017-11-19 Excerpt from *The Franco Russian Alliance 1890 1894* It may be objected that a definitive treatment of the problem cannot be undertaken until the historian has more authentic material from the French English and especially the Russian archives The author has of course felt the dearth of Russian material very keenly in all stages of the work But there is some consolation in the thought that the historian can never hope for exhaustive source material The effort to reconstruct the past is worth making if the data available is reasonably abundant and relevant The study here presented would never have been written unless the writer had been convinced that the material is quite sufficient to clear up the fundamental problems He cannot believe that the publication of new material would destroy the basic lines of the argument About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The Franco-Russian Alliance, 1890-1894** William Leonard Langer, 1929      *The Franco-Russian Alliance 1890-1894, by William Leonard Langer ...* William Leonard Langer, 1929      [The Franco-Russian Alliance, 1890-1894](#) Gerald Kushel, 1977      [From Diplomacy to Culture](#) Jeffrey S.
