The French And The Dardanelles A Study Of Failure In The Conduct Of War:

The French and the Dardanelles George H. Cassar, 1971 *The War Lords and the Gallipoli Disaster* Nicholas A. Lambert, 2021-02-05 An eye opening interpretation of the infamous Gallipoli campaign that sets it in the context of global trade In early 1915 the British government ordered the Royal Navy to force a passage of the Dardanelles Straits the most heavily defended waterway in the world After the Navy failed to breach Turkish defenses British and allied ground forces stormed the Gallipoli peninsula but were unable to move off the beaches Over the course of the year the Allied landed hundreds of thousands of reinforcements but all to no avail The Gallipoli campaign has gone down as one of the great disasters in the history of warfare Previous works have focused on the battles and sought to explain the reasons for the British failure typically focusing on First Lord of the Admiralty Winston Churchill In this bold new account Nicholas Lambert offers the first fully researched explanation of why Prime Minister Henry Asquith and all of his senior advisers the War Lords ordered the attacks in the first place in defiance of most professional military opinion Peeling back the manipulation of the historical record by those involved with the campaign s inception Lambert shows that the original goals were political economic rather than military not to relieve pressure on the Western Front but to respond to the fall out from the massive disruption of the international grain trade caused by the war By the beginning of 1915 the price of wheat was rising so fast that Britain the greatest importer of wheat in the world feared bread riots Meanwhile Russia the greatest exporter of wheat in the world and Britain s ally in the east faced financial collapse Lambert demonstrates that the War Lords authorized the attacks at the Dardanelles to open the straits to the flow of Russian wheat seeking to lower the price of grain on the global market and simultaneously to eliminate the need for huge British loans to support Russia s war effort Carefully reconstructing the perspectives of the individual War Lords this book offers an eye opening case study of strategic policy making under pressure in a globalized world economy **The Dardanelles Campaign, 1915** Fred R. van Hartesveldt, 1997-11-20 The passage of time has not slowed the production of books and articles about World War I This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign including the Gallipoli invasion It focuses on military history but also provides information on political histories that give significant attention to the handling of the Dardanelles Campaign The opening section of the book provides background information about the campaign discusses the major sources of information and lays out the major interpretative disputes A comprehensive annotated bibliography follows This book nicely complements the two earlier volumes on World War I battles *The Battle of Jutland* by Eugene Rasor and *The Battles of the Somme* by Fred R van Hartesveldt *The French Army and the First World War* Elizabeth Greenhalgh, 2014-11-13 A major new account of the role and performance of the French army in the First World War **Bertie of Thame** Keith Hamilton, 1990 Sir Francis Bertie from 1915 Lord Bertie of Thame was a senior British diplomat of the late Victorian and Edwardian eras He is perhaps best known for the thirteen years between 1905 and 1918

during which time he was Britain's ambassador in Paris and it is with this period of his life that Dr Hamilton is mainly concerned. The book thus examines his contribution to the evolution and maintenance of the entente cordiale, the nature of his anti-Germanism, his influence upon Sir Edward Grey and other British statesmen, and the eclipse of professional diplomacy during the first world war. Above all it is a study of a man whom another British diplomat was later to describe as the very last of the great ambassadors.

World War I Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage, detailed analyses, and the latest historical interpretations of events, this expansive five-volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today. One hundred years after the beginning of World War I in 1914, this conflict still stands as perhaps the most important event of the 20th century. World War I toppled all of the existing empires at the time, transformed the Middle East, and vaulted the United States to becoming the world's leading economic power. Its effects were profound and lasting, and included outcomes that led to World War II. This multivolume encyclopedia provides a wide-ranging examination of World War I that covers all of the important battles, key individuals, both civilian and military, weapons and technologies, and diplomatic, social, political, cultural, military, and economic developments. Suitable as a reference tool for high school and undergraduate students, as well as faculty members and graduate-level researchers, *World War I: The Definitive Encyclopedia and Document Collection* offers accessible, in-depth information and up-to-date analyses in a format that lends itself to quick and easy use. The set comprises alphabetically arranged, cross-referenced entries accompanied by further reading selections, as well as a comprehensive bibliography. A fifth volume provides chronologically arranged documents and an A-Z index.

Kitchener's War: British Strategy from 1914-1916 George H. Cassar, 2005-10-31 A new study of one of Britain's most famous soldiers.

European Powers in the First World War Spencer C. Tucker, 2018-12-07 First published in 1996, *The First World War* was the single most important event of the twentieth century. This volume concentrates on non-U.S. aspects of the conflict. Organized alphabetically, its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict, major battles and campaigns, weapons systems including military aviation, chemical warfare, the submarine, and the tank, and the terms of the peace. Some 350 biographies provide information on the roles played in the conflict by generals, admirals, and civilian leaders. There are also biographies of individuals who were shaped by the war, such as Charles de Gaulle, Adolf Hitler, Benito Mussolini, and Joseph Stalin; essays on each of the countries involved in the conflict; new appraisals of such subjects as military medicine and artillery tactics; and essays on such diverse subjects as art, literature, and music in the war. Each entry has references for additional reading, and a subject index provides easy access. The volume is an excellent reference source for scholar and neophyte alike.

Asquith As War Leader George H. Cassar, 1994-01-01 Asquith was at the pinnacle of his success when the course of his life and that of his country was changed by the outbreak of the First World War. Instead of being over by Christmas 1914, the war became a stalemate with opposing trenches extending from the Channel coast to the Swiss border.

During the initial stages of the war Asquith's oratory tact and skill combined with his imperturbability and prestige made him indispensable. As the war dragged on his failure to show the ruthlessness needed to win at any cost made him ill suited to direct the nation in total war. In December 1916 Asquith was manoeuvred out of Downing Street by Lloyd George. Asquith as War Leader is the first comprehensive study of this exceptionally talented Prime Minister's war record. In a thorough examination of British war policy with its evolutionary shifts and internal dissensions George H. Cassar has defined the precise nature of Asquith's involvement and responsibility. He describes Asquith's part in bringing Britain into the war in shaping war aims and strategy and in mobilising the nation's resources. Because he was not the Prime Minister who won in 1918 Asquith's achievements in dealing with the problems of fighting a war on an unprecedented scale have been insufficiently recognised.

1916 Keith Jeffery, 2016-01-26 So much of the literature on the First World War centers on the trench warfare of the Western Front and these were essential battlegrounds. But the war was in fact truly a global conflict and by focusing on a sequence of events in 1916 across many continents historian Keith Jeffery's magisterial work casts new light on the Great War. Starting in January with the end of the catastrophic Gallipoli campaign Jeffery recounts the massive struggle for Verdun over February and March, the Easter Rising in Ireland in April, dramatic events in Russia in June on the eastern front, the familiar story of the war in East Africa where some 200,000 Africans may have died and the November U.S. presidential race in which Woodrow Wilson was re-elected on a platform of keeping the United States out of the war, a position he reversed within five months. Incorporating the stories of civilians in all countries both participants in and victims of the war, *1916: A Global History* is a major addition to the literature and the Great War by a historian at the height of his powers.

Eventually, you will enormously discover a other experience and endowment by spending more cash. still when? get you understand that you require to acquire those all needs bearing in mind having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more roughly the globe, experience, some places, with history, amusement, and a lot more?

It is your certainly own epoch to produce an effect reviewing habit. along with guides you could enjoy now is **The French And The Dardanelles A Study Of Failure In The Conduct Of War** below.

The French And The Dardanelles A Study Of Failure In The Conduct Of War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The French And The Dardanelles A Study Of Failure In The Conduct Of War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The French And The Dardanelles A Study Of Failure In The Conduct Of War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The French And The Dardanelles A Study Of Failure In The Conduct Of War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The French And The Dardanelles A Study Of Failure In The Conduct Of War Books
