The Food Of Angels:

Spiritual Food Paul Mukendi, 2018-12-29 A Special Book For You This Book Will Change Your Life In the changing and often ambiguous world of modern age Christians need to hold firmly unto the Word of Christ to guide them in their daily life The Gospel is the light along the path of those who are experiencing dark and difficult days it is the light of hope to the broken heart It is Spirit and Life The Bible emphasizes the theme of food because it wants to make us understand spiritual nutrition Food is important for the physical and spiritual health No spirit can live without spiritual food As the physical body continually needs food so does the spirit A major problem is that human nature compels us to focus almost totally upon the physical We live in a world obsessed with outer improvement People live in debt to maintain a glamorous appearance Many people either in ignorance or willingly neglect taking care of their spiritual bodies Life is not ultimately physical and the flesh is not the whole man God provides us Israel's experiences in the wilderness to let us know that there is a spiritual aspect to life that requires feeding and maintenance just as surely as the physical The spiritual food is merely the food for your spirit or your spiritual body It is amazing to know that you have to nourish your spirit on a daily basis just the same as you do with your flesh Your spirit has a kind of food that the flesh knows nothing about What food does your spirit need Yes this is a challenging question that deserves a proper answer Spiritual bodies eat the word of God and drink the presence of God God and His word are the sustenance of eternal and abundant life We find in the word of God all the energy vitamins and proteins that our spiritual body requires We cannot be spiritually healthy without feeding upon the word of God We can visit hundreds of different stores to get food to eat and the food we buy from them will make us feel strong physically However there is only one place where we get the food that will feed us spiritually God is the only provider of spiritual food God's Word is just as essential to spiritual life as food is to physical life Just as one must discipline oneself to provide and eat physical food so must one exercise discipline to seek and ingest spiritual food If one will not do this then just as physical health will decline without adequate food a person's inadequate spiritual diet will lead to spiritual disease Each person loves his body and nourishes it However many people neglect their inward being they clean the outside of the cup but the inside is dirty The real man is not the flesh but the spirit that dwells inside the body Job 32:8 It is therefore vitally important to take good care of the spirit rather than the body The demands of the body although important are nothing compared to those of the soul Seek the right spiritual food and feed your soul I hope this book will be a source of blessings in your life and God bless you

Jonathan Edwards and the Psalms David P. Barshinger, 2014-09-03 Throughout church history the book of Psalms has enjoyed wider use and acclaim than almost any other book of the Bible Early Christians extolled it for its fullness of Christian doctrine monks memorized and recited it daily lay people have prayed its words as their own and churches have sung from it as their premier hymn book While the past half century has seen an extraordinary resurgence of interest in the thought of American theologian Jonathan Edwards including his writings on the Bible no scholar has yet explored his meditations on the Psalms David P Barshinger addresses this gap by providing a close study of his engagement with one of the Bible s most revered books From his youth to the final days of his presidency at the College of New Jersey Edwards was a devout student of Scripture as more than 1 200 extant sermons theological treatises and thousands of personal manuscript pages devoted to biblical reflection bear witness Using some of his writings that have previously received little to no attention Jonathan Edwards and the Psalms offers insights on his theological engagement with the Psalms in the context of interpretation worship and preaching Barshinger shows that he appropriated the history of redemption as an organizing theological framework within which to engage the Psalms specifically and the Bible as a whole This original study greatly advances Edwards scholarship shedding new and welcome light on the theologian s relationship to Scripture **The Saints**
