The Forgotten Carols:

The Forgotten Carols Michael McLean, 2003 Michael McLean's touching Christmas tale has become a timeless classic. It tells the story of a nurse whose empty life is changed by her patient John who expands her understanding of Christmas. The Forgotten Carols are original songs from the perspective of characters such as the innkeeper who turned the young couple away or the shepherd who slept through the angel's announcement. Their personal accounts until now have been overlooked or ignored. Together John and Constance discover what the world has forgotten about Christmas. *Forgotten Carols* Michael McLean, 1998-10-01 The Forgotten Carols is an innovative storybook CD about a nurse whose empty life is changed by her patient John. As the story moves along, the characters in the novel break into song, which are included on the compact disc. Div. LPC, 2012-08 What Ministers are saying about The Forgotten Carols Bible Study I would like to recommend the Bible study for The Forgotten Carols. It takes the story line of the musical and brings its lessons into the life of the reader. The author did a great job of application. If you use the study The Forgotten Carols will not only be a great musical event, it will be a great life change event. Phil S Walker Senior Pastor Ridgecrest Baptist Church Madison MS I appreciate so much the time and effort put into this Bible study. It is well done and I know it will be a blessing to you. It warmed my heart, stimulated my mind, and blessed my soul. Dr George Mathison Senior Pastor Auburn United Methodist Church Auburn AL The Forgotten Carols Bible Study is an excellent way to get the most out of this powerful Christian dramatic musical. Loaded with generous Scripture references, incredible insights, and great discussion starters, you will want to use this unique ministry tool in your church this Christmas season. Dave Graeser Director of Music Ministries Westminster Presbyterian Church Laurel MS I think The Forgotten Carols Bible Study is very good. I like the format you have chosen. I like that you have placed the songs as a part of the study. I think this will go well with the churches that participate. You have done a very good job with the Bible verses, and I like the way you have given people an opportunity to write some answers if they do the study on their own or they can talk about them in small groups. Great job. Andy Hepburn Pastor Taylor Road Baptist Church Montgomery AL Seeing The Forgotten Carols and then engaging in Greg Smith's Bible study that coincides with it will not only make Christmas far more authentic, exciting, and meaningful, but will also be transformative to one's life as a whole. This is truly a great experience. Dr D B Shelnett Jr Senior Pastor Johns Creek United Methodist Church Duluth GA With the addition of this nine week

also inform the ideological methodological and ethical principles on which the movement itself is founded *A Different Voice A Different Song* draws on long term ethnographic research including participant observation at choir rehearsals performances workshops and camps as well as interviews with voice teachers choir and workshop leaders camp and festival organisers and general participants Bithell shows how amateur singers who are not musically literate can become competent participants in a vibrant musical community and in the process find their voice metaphorically as well as literally She then follows some of these singers as they journey to distant locations to learn new songs in their natural habitat She theorises these trends in terms of the politics of participation the transformative potential of performance building social capital the global village and reclaiming the arts of celebration and conviviality The stories that emerge reveal a nuanced web of intersections between the local and global one which demands a revision of the dominant discourses of authenticity cultural appropriation and agency in the post colonial world and ultimately points towards a more progressive politics of difference *A Different Voice a Different Song* will be an essential text for practitioners involved in the natural voice movement and other vocal methodologies and choral worlds As a significant study in the fields of ethnomusicology music education and community music the book will also be of interest to scholars studying the democratisation of the voice the dynamics of participation world musics in performance the transformative power of harmony singing and the potential of music making for sustaining community and aiding intercultural understanding
