## **The Foundations Of Knowledge:**

**Foundations of Knowledge** E. P. Papanoutsos, 1968-01-01 The inquiry into the foundations of knowledge is a systematic inquiry into the problem of truth This problem constitutes one of the three main concerns of philosophical analysis the others being the problem of beauty and the problem of goodness Thus Evangelos P Papanoutsos Greece s leading contemporary philosopher introduces this third book of his Trilogy of the Mind The first two volumes covered aesthetics and ethics this one is a major work in epistemology Combining rigorous analysis with thorough going scholarship displaying an intimate acquaintance with the physical and humanistic sciences and drawing on a deep understanding of philosophical method and the history of philosophy Professor Papanoutsos is held in high esteem by his European colleagues This translation of his masterpiece will enhance his reputation and influence among readers of English The themes of The Foundation of Knowledge range over the topics that have been continually challenging to the modern era of philosophers being and consciousness experience and reason common sense and science and the domains of knowledge including the nature of philosophical knowledge Special attention is paid to the analysis of theoretical consciousness the problems of categorical thinking the theory of judgment mathematics and logic and the limits of historical understanding The Foundations of Knowledge

Timothy J. McGrew, 1995 A re examination of classical foundationalism that offers a reconstruction and defense of empirical knowledge grounded in perceptual certainty This work articulates and defends a new version of foundationalism and demonstrates how it meets all the standard criticisms **Race and the Foundations of Knowledge** Joseph A. Young, Jana Evans Braziel, 2006 This anthology demonstrates the longstanding multifarious and major role that race has played in the formation of knowledge The authors demonstrate how race theory intersects with other bodies of knowledge by examining discursive records such as travelogues literature and historiography theoretical structures such as common sense pseudoscientific racism and Eurocentrism social structures of class advancement and identity and politico economic structures of capitalism colonialism and law **Nursing Informatics and the Foundation of Knowledge** Dee
