The Foxglove Saga:

The Foxglove Saga Auberon Waugh, 1960 Fathers and Sons Alexander Waugh, 2008-12-10 If there is a literary gene then the Waugh family most certainly has it and it clearly seems to be passed down from father to son The first of the literary Waughs was Arthur who when he won the Newdigate Prize for poetry at Oxford in 1888 broke with the family tradition of medicine He went on to become a distinguished publisher and an immensely influential book columnist He fathered two sons Alec and Evelyn both of whom were to become novelists of note and whom Arthur somewhat uneasily would himself publish both of whom were to rebel in their own ways against his bedrock Victorianism and one of whom Evelyn was to write a series of immortal novels that will be prized as long as elegance and lethal wit are admired Evelyn begat among seven others Auberon Waugh who would carry on in the family tradition of literary skill and eccentricity becoming one of England's most incorrigibly cantankerous and provocative newspaper columnists loved and loathed in equal measure And Auberon begat Alexander yet another writer in the family to whom it has fallen to tell this extraordinary tale of four generations of scribbling male Waughs The result of his labors is Fathers and Sons one of the most unusual works of biographical memoir ever written In this remarkable history of father son relationships in his family Alexander Waugh exposes the fraught dynamics of love and strife that has produced a succession of successful authors Based on the recollections of his father and on a mine of hitherto unseen documents relating to his grandfather Evelyn the book skillfully traces the threads that have linked father to son across a century of war conflict turmoil and change It is at once very very funny fearlessly candid and exceptionally moving a supremely entertaining book that will speak to all fathers and sons as well as the women who love them **Telltale** Carmel Bird, 2022-07-01 I was confined locked into my library tracing my heartbeats from way way back In Telltale Carmel Bird seizes on an enforced isolation to re read a rich dispensary of books from her past A rule she sets herself is that she can consult only the books in her house even if some such as the much loved Thornton Wilder's The Bridge of San Luis Rey appear to be stubbornly elusive Her library is comprehensive and each book chosen or that cannot be refused enables an opening a connection to people time place myth image and the experience of a writing life From her father's bomb shelter to her mother's raspberry jam from a lost Georgian public library with narrow little streets of books to the memory of crossing by bridge the turbulent waters of the Tamar River to a revelatory picnic at Tasmania's Cataract Gorge in 1945 this is the most intimate of memoirs It is one that never shies from the horrors of world history the treatment of First Nations People or the literary misrepresentations of the past Original lyrical and hugely enjoyable Telltale with its finely wrought insight and artful storytelling is destined to delight A book about books that dreams you through a library of life Bruce Pascoe I have so loved this book It walks us through the encounters of a lifetime always with a delightful eye for strange connections and elusive memories It is testimony to a life of great intellectual generosity and human compassion It is irresistible Michael McGirr **The Bluebird Cafe** Carmel Bird, 1991 The world of Australian writer Carmel Bird is one in which no hard line is

drawn between everyday reality and unvarnished fantasy Her new novel *The Bluebird Caf* is a delectable concoction In the brew are an Historic Museum Village a Tasmanian Disneyland under an enormous glass dome a verdant horizontal forest the mysterious disappearance of midget child Lovelygod anorexic teenager and later famous writer Virginia O Day who pens letters to long deceased Charles Dickens a Japanese student s research paper recipes for Heavenly Tart and Cherry Ripe Slices information about aborigines and thylacenes Ms Bird describes her books as being in some sense a meditation on extinction of races of people species of animals and plants language meanings the human spirit Equally it is a celebration of the hope that continues to burn in human hearts of delight and wonder that still abound **Fault Lines** David
