Inculcating the Principles of Benevolence and Love Charles Morley, 1849 *God in His Own Image* Syd

Brestel, 2019-05-07 Someone once noted that God made us in His image and ever since we have tried to do God a favor by making Him in our image It s easy to speak to others about the Jesus who cared for the poor healed the sick and preached love and justice for the least of these But what about the God who tells the Israelites to wage war and kill entire people groups Or threatens exile and then delivers Or sends people to hell Can these really be the same God The simple answer is yes God in His Own Image takes you on a journey through the Bible exploring God s true nature You ll study instances of great mercy and great severity and by the end you ll begin to see why both God s compassion and his wrath are necessary important and even beautiful Get to know the God who is both Lion and Lamb both Judge and Father both kind and severe and perfect in every way *Fragrance* Charles S. Van Toller, G.H. Dodd, 1993-01-31 This book builds on and extends the

previous book *Perfumery* the psychology and biology of fragrance Thus a large part of the book reviews the latest evidence on olfaction research which is relevant to the study of perfumery psychology **The Journal of Prison Discipline and**

Philanthropy , 1900 **Love Kindness** Barry H. Corey, 2019-02-05 Kindness is not what we have been taught it is It isn t a soft virtue expressed only by sweet grandmothers or nice Boy Scouts Kindness is neither timid nor frail Instead it is brave and daring willing to be vulnerable with those with whom we disagree It is the revolutionary way that Jesus himself called us to live The way of selfless risks The way of staggering hope The way of authenticity Dr Barry Corey president of Biola University believes we tend to devalue the importance of kindness opting instead for caustic expressions of certainty that push people away We forget that the essence of what God requires of us is to love kindness In this book filled with stories from his travels around the globe Barry shows us the forgotten way of kindness It is a life that calls us to put ourselves at risk A life that calls us to hope A life of a firm center and soft edges It is the life Christ invites us to follow no matter what the cost This new paperback edition has an added chapter and a foreword from Steven Curtis Chapman **Spiritual Exercises of**

St. Ignatius of Loyola, The O'Collins, Gerald, SJ, 2023 The book follows the structure of the Spiritual Exercises commenting on major themes in what Ignatius calls the First Week the Second Week the Third Week and the Fourth Week ending with the Contemplation for Attaining Love It engages the audience by introducing fresh reflections on the Principle and Foundation to be read in the context of late medieval marriage vows and by using at length several episodes in the Gospel stories e g the nativity of Christ the call to service of Peter s mother in law the particular approaches of the evangelists to

Christ's passion and death and the place of Ch 21 in John's theology of love to show how contemporary biblical interpretation enriches possibilities for prayer. Resources for prayer are drawn from Christian painting, sculpture, music, literature (e.g. Pascal and Kierkegaard) and poetry. The author explores links between the Exercises and the traditional practice of lectio divina. In doing this, he illustrates the scope of teaching on lectio divina coming from the Second Vatican Council and shows how translators and commentators have missed the Council's use of the technical term lectio divina.
