The Game Of God Recovering Your True Identity:

The Game of God Arthur B. Hancock, Kathleen J. Brugger, 1992-12-01 *The Game of God* Arthur Hancock, Kathleen Brugger, 2014-11-20 A God for the Twenty first Century Does life have any meaning or purpose Does God exist How can you reconcile a loving God with cruelty and suffering This book makes the radical claim that the universe is literally a game of God One purpose of the universe is for God to enjoy the vast array of experiences that God as an unlimited being cannot experience life and death joy and pain beginning and end fear and hate happiness and sorrow In order to have a realistic experience of limitation God must forget that She He It is God The universe is a game in which God forgets His Her Its identity and in the process of playing remembers who She He It is We are not separate creatures who are victims of existence We are expressions of God experiencing limitation and overcoming it We are God in disguise Human suffering comes from the erroneous belief that who we really are is our personality or ego identity Our lives are a constant battle for the survival of a mistaken identity we spend most of our time either flighting from reality or fighting it Love and transcendence lie in the cessation of survival behavior in the acceptance of reality what is Love is the experience of unconditional acceptance of what is With a cartoon on every left hand page illustrating the text on the right formatted like poetry these ideas are presented in a light and humorous manner Tim Allen says If you really have your shit together read this book From the suggested reading list in his bestseller I m Not Really Here Oprah called it A great book about God This is a revised edition of the 1993 book which reflects the latest thinking of the authors and includes some new cartoons
