Lyell D. Henry

Take This Exit Rediscovering The Iowa Landscape:

Take the Next Exit Robert F. Sayre, 2000-08 **Take this Exit** Robert F. Sayre, 1989 The new edition of the popular *Enjoy Iowa's Recreation Trails* includes updated information on 43 trails at 40 different locations This trail guide provides details about Iowa's best recreation trails in a convenient pocket sized book Trailheads local attractions and amenities and handicap accessibility are outlined for each trail Also included on each trail are detailed maps fee schedules and trail surface types Sized to fit backpacks fanny packs bike bags and glove compartments this personal guide to Iowa's best trails is essential for everyone who loves Iowa's great outdoors **Take this Exit** Robert F. Sayre, 1989 Midwest Marvels Eric Dregni, 2006 A guide to unusual and one of a kind roadside sights in the Midwest includes Minnesota's Spam Museum North Dakota's forty five foot tower of discarded oil cans and South Dakota's Outhouse Museum *Gardening with Native Plants in the Upper Midwest* Judy Nauseef, 2016-04-15 Want to have a garden that is both beautiful and biodiverse satisfying and sustainable In this book long time landscape designer Judy Nauseef shows gardeners in the upper Midwest how to restore habitat and diversity to their piece of the planet by making native plants part of well designed thoughtfully planned gardens In contrast to most books about gardening with native plants Nauseef provides specific regional information Working against the backdrop of habitat and species losses in the tallgrass prairie states she brings years of experience to creating landscapes that recall the now vanished grasslands of the Midwest Nauseef emphasizes the need for careful planning and design to create comfortable low maintenance spaces that bring homeowners outside Her designs solve problems such as a lack of privacy shade or sun plan for water use replace troublesome nonnative plants with native plants that attract pollinators and enable homeowners to enjoy living sustainably on their land Colorful photographs of projects around the Midwest show the wide range of possibilities from newly created gardens using only native plants to traditional gardens that mix nonnative with native species Whether you have a city yard a suburban lot or a rural acreage there are ideas here for you along with examples of well designed landscapes in which native plants enhance paths patios pergolas and steps Providing information on planting and maintaining native plants and prairies as well as seed and plant sources organizations and public arboretum and prairie sites this book enables every gardener to master a new palette of plants and landforms However small our personal landscapes together they can slow the loss of many species of plants and wildlife and bring native flowers and grasses back where they belong Ecologists landscape architects and designers master gardeners landscape contractors teachers and home gardeners everyone dedicated to conserving and improving our environment will benefit from Nauseef's approach **Reflecting a Prairie Town** , 1994 Hokanson writing Lakeland College looks at the town of Peterson Iowa its history and our enduring need for a sense of place He synthesizes geography oral history archaeology science and literature in his portrait of this small farming town Includes bandw historical and modern photos of Peterson's faces and landscapes Annotation copyright by Book News Inc Portland OR *Recovering the Prairie* Robert F. Sayre, 1999 Americans in ever

increasing numbers are rediscovering the prairie This vast inland sea of grasses buried for a hundred years beneath farms cities and suburbs has endured not only in physical remnants but also in the memories of its settlers and their descendants the books of prairie authors and the work of prairie artists As restoration ecologists and amateur prairie preservationists recover the land this book recovers the prairie of the American imagination past present and future Beautifully illustrated with the work of sixteen contemporary prairie artists Recovering the Prairie celebrates and examines the perspectives of artists writers native peoples ecologists and landscape architects Willa Cather Aldo Leopold Jens Jensen Alexander Gardner and many others who recognized the unique beauty of the prairie And this volume brings together people from many fields to consider the connections between aesthetics and economics landscape and culture politics and ethics as illustrated by the prairie in American civilization Contributors and artists include Robert Adams Lee Allen Roger Brown James D Butler Pauline Drobney Fred Eaker Terry Evans Ed Folsom Lance M Foster Harold L Gregor Robert E Grese Walter Hatke Harold D Holoun Stan Hurd Gary Irving Wes Jackson Keith Jacobshagen Joni L Kinsey Stuart Klipper Aldo Leopold Tom Lutz Curt Meine Genie H Patrick David Plowden Rebecca Roberts Robert F Sayre Jane E Simonson Shelton Stromquist James R Winn

The Jefferson Highway Lyell D. Henry, 2016-04-15 Today American motorists can count on being able to drive to virtually any town or city in the continental United States on a hard surface That was far from being true in the early twentieth century when the automobile was new and railroads still dominated long distance travel Then the roads confronting would be motorists were not merely bad they were abysmal generally accounted to be the worst of those of all the industrialized nations The plight of the rapidly rising numbers of early motorists soon spawned a good roads movement that included many efforts to build and pave long distance colorfully named auto trails across the length and breadth of the nation Full of a can do optimism these early partisans of motoring sought to link together existing roads and then make them fit for automobile driving blazing marking grading draining bridging and paving them The most famous of these named highways was the Lincoln Highway between New York City and San Francisco By early 1916 a proposed counterpart coursing north and south from Winnipeg to New Orleans had also been laid out Called the Jefferson Highway it eventually followed several routes through Minnesota Iowa Missouri Kansas Oklahoma Texas Arkansas and Louisiana The Jefferson Highway the first book on this pioneering road covers its origin history and significance as well as its eventual fading from most memories following the replacement of names by numbers on long distance highways after 1926 Saluting one of the most important of the early named highways on the occasion of its 100th anniversary historian Lyell D Henry Jr contributes to the growing literature on the earliest days of road building and long distance motoring in the United States For readers who might also want to drive the original route of the Jefferson Highway three chapters trace that route through Iowa pointing out many vintage features of the roadside along the way The perfect book for a summer road trip Barns of the Midwest Allen G. Noble, Hubert G. H. Wilhelm, 2018-09-11 Originally published in 1995 Barns of the Midwest is a masterful

example of material cultural history It arrived at a critical moment for the agricultural landscape The 1980s were marked by farm foreclosures rural bank failures the continued rise of industrialized agriculture and severe floods and droughts These waves of disaster hastened the erosion of the idea of a pastoral Heartland knit together with small farms and rural values And it wasn't just an idea that was eroded material artifacts such as the iconic Midwestern barn were also rapidly wearing away It was against this background that editors Noble and Wilhelm gathered noted experts in history and architecture to write on the nature and meaning of Midwestern barns explaining why certain barns were built as they were what types of barns appeared where and what their functions were Featuring a new introduction by Timothy G Anderson *Barns of the Midwest* is the definitive work on this ubiquitous but little studied architectural symbol of a region and its history

American Lives Robert F. Sayre, 1994 *American Lives* is a groundbreaking book the first historically organized anthology of American autobiographical writing bringing us fifty five voices from throughout the nation's history from Abigail Adams Abraham Lincoln Jonathan Edwards and Richard Wright to Quaker preacher Elizabeth Ashbridge con man Stephen Burroughs and circus impresario P T Barnum Representing canonical and non canonical writers slaves and slave owners generals and conscientious objectors scientists immigrants and Native Americans the pieces in this collection make up a rich gathering of American songs of ourselves Robert F Sayre frames the selections with an overview of theory and criticism of autobiography and with commentary on the relation between history and many kinds of autobiographical texts travel narratives stories of captivity diaries of sexual liberation religious conversions accounts of political disillusionment and discoveries of ethnic identity With each selection Sayre also includes an extensive headnote providing valuable critical and biographical information A scholarly and popular landmark *American Lives* is a book for general readers and for teachers students and every American scholar
