Shetland Sheepdog Training Claudia Kaiser, 2020-05-24 Shetland Sheepdog Training Dog Training for your Shetland Sheepdog puppy The training of dogs is often confused with classical dog training drills only considered necessary for demanding dogs mocked by other dog owners replaced by anti authoritarian methods considered too difficult to achieve without experience What constitutes dog training and what is it good for And how can you and your Shetland Sheepdog profit from it without having any experience The most important thing is to understand how a dog sees his world what is normal for him and how you can use this to your advantage In addition the characteristics of each breed are significant when you get beyond the basic training phase Your Shetland Sheepdog will show characteristics which are different to those of a Chihuahua for example and this is predominantly what you need to consider during training This book is vol 1 of the Shetland Sheepdog training books Vol 2 for your grown up Shetland Sheepdog is also available with the title Shetland Sheepdog Training Vol 2 Dog Training for your grown up Shetland Sheepdog Author Claudia Kaiser says about her book It was my desire to let other dog owners profit from the knowledge I have gained over many years and after making many mistakes I love my dog and know how important it is to adapt the training to suit each breed It is exactly this desire that prompted me to write this book My aim is to help every beginner not only to understand his dog better but also to know exactly how to get the best results step by step so that you can achieve a close positive and trusting human dog relationship Quench your curiosity to know about background information read reports on other experiences and obtain step by step instructions and secret tips which are tailor made for your Shetland Sheepdog Get your copy of this book today and experience how your Shetland Sheepdog sees his world and how you can progressively train your dog to receive the best results Your Shetland Sheepdog will appreciate it so this is my advice Don't hesitate to buy this book Content of this book About the Author Preface What you need to know about your Shetland Sheepdog Cornerstones of training puppies Before the

English Sheepdogs Malcolm Lee,2020-11-23 The PERFECT guide for any new Bobtail owner Learn everything you need to know including Preparing your home for a Sheepdog Training during the first few weeks Proper Nutrition and Diet for a Sheepdog Avoiding the common mistakes most new Old English Sheepdog owners make Exercise tips and Socialization ideas See an Old English Sheepdog in the show ring with its immaculately groomed flowing coat and it s hard to imagine the hard knock life for which they were originally bred Beneath all that fur and abundant fringe there lies the heart and soul of a working dog Big boned and robust the Old English Sheepdog is never happier than when at the center of attention or in the middle of the action First appearing in the mid 1700 s this comparative newcomer to the canine world was originally bred for the tough life of a drover in Southwest England Here they were responsible for driving sheep and cattle to market It was at this time that they picked up the nickname Bob Tails because of their docked tails which identified them as working dogs and allowed their owners to avoid paying pet tax Tasked with guarding and moving sheep and cattle across windswept moors and dales they are doubly blessed with brain and brawn Their loyalty and companionship are beyond reproach but it is the breed s sense of fun that is as strongly imprinted in their DNA as their instinct to herd The Old English Sheepdog is often called the clown prince of dogs which is a great indication of the indelible imprint he leaves on owners and breeders alike A large breed adult Old English Sheepdogs reach around 21 22 at the shoulder and weigh as much as 80 pounds Hugely affectionate and attention seeking they will never be far from their owner s side So if personal space is high on your list of priorities this may not be the ideal breed for you As long as an OES is part of the family it doesn t matter if you live in a penthouse or a farmhouse What does matter though is exercise and lots of it Be aware this love of human company also means that your new best friend will not make a good yard dog Everything about this breed is larger than life from their abundant shaggy coat to their outgoing quirky character They also live to around 12 years of age so making this affable breed of dog a member of the family is a long term commitment For all these reasons knowledge of this large breed is essential before committing to welcoming one into your family Are you intending to go down the puppy route or maybe offering a loving home to a rescue dog Then the chapters of this guide will provide you with all the information you need to get the best from your big bouncy bob tail *I Like Shetland Sheepdogs!* Linda Bozzo,2018-07-15 Despite appearances the Shetland sheepdog is not a
