Take Up Your Cross:

Take Up Your Cross Steven L. Hitchcock, 2018-11-28 Jesus said If anyone wishes to come after Me he must deny himself and take up his cross and follow Me This great statement in the gospel of Matthew commands our attention by setting before us an ultimatum of the utmost importance Have I denied myself and taken up my cross Will I come after Him If we take Jesus words seriously and we are honest with ourselves we would rather avoid this great statement Since when does self denial and suffering determine whether or not we come after Jesus Christians are being told that if they want to be a true disciple of Jesus then they must deny themselves and take up their cross Yet Jesus requires an absolute denial and death of self Jesus has not made room for half measures or for a mere willingness to make the ultimate sacrifice To misrepresent and misunderstand Jesus great statement is as serious as the teaching is great The purpose of this book is to exchange burdening error for the empowering truth of Jesus great statement By explaining the context and showing how Paul the apostle applied the teaching we provide the correct understanding thereby exposing the leaven of the Pharisees Be refreshed by the truth of the gospel as you gain the correct understanding of Jesus great statement Jesus cross is our only power to live and walk by the Spirit This is essential reading for all Christians so that we might come after Jesus by the power of the cross and might know how to walk by the Spirit Steven and his wife Alison live in Boise Idaho and have five children He has authored *Recanting Calvinism* and has an Australian Bachelor of Theology which is equivalent to a Masters of Divinity in the U S A Visit traditionalbaptistchurch.com for information

Kimberly DeAnn Williamson a native of Buffalo NY was recruited to New Orleans LA in 1999. A Katrina survivor and ordained minister at City Cathedral church in New Orleans Louisiana her gifts have made room for her to serve as Chief Administrative Officer of the City of New Orleans and to serve in elective office where she endured intense persecution for efforts that exposed corruption in City Hall and restored order to chaos in offices she held. It was out of the furnace of affliction that the words of inspiration for Mountain Move came to her.

Do We Do What Jesus Said? Matthew Robert Payne, 2018-12-28. In this timely message Matthew Robert Payne examines the words of Jesus to his disciples in Luke 9:23. Then He said to them all: If anyone desires to come after Me, let him deny himself and take up his cross daily and follow Me. Each of these three key points stands as a section heading and Matthew then expands upon each one with several subheadings. You will learn about the following and much more: denying yourself of the world's ways including media; denying yourself of material comforts; the need to spend time reading the Bible and praying; living out your Christian faith being an example to others and walking in your purpose and destiny. While many have stumbled over the meaning of this important verse, Matthew brings clarity to the words of Jesus. This little gem includes practical ways to apply these points so that you can put them into practice in your life today.

Around the Table Jonathan P. Case, 2019-06-21. In these days of uncivil public discourse complete with trolling, hater comments, CAPSLOCKING and generally acting like jerks towards each other, talking graciously about anything is becoming a lost art. Throw religion into the mix. Well, my Bible says and you've got one huge toxic mess. Is it possible for Christians to become more thoughtful and gracious conversation partners as we talk through our theological disagreements? How can we keep from throwing around the term heretic every time someone disagrees with us? And remember it's a big world out there. If arguing with other Christians isn't difficult enough, how do we think about engaging members of other religions? What's the point of talking with them? They don't know God anyway, right? Then there are all those agnostics and atheists accusing believers of ignorance and calling for the end of religion. Why should we even want to talk with these people? Aren't they our enemies? What can we possibly learn from them? In this book Jonathan Case explores from a Christian theological perspective what's at stake in these conversations and suggests how to keep people talking through their disagreements about that most volatile subject: God.
