2 Flawed Lawmen Wayne Meyer,2020-08-10 Two police officers that did stints in detectives decided they wanted to go back to a front line first responder status in the department There is a notable age difference between them but due to similar attitudes and motivations they became friends years ago By choice they end up on the same patrol squad with the older as the others supervisor The two no matter how hard they try and sometimes no matter how hard they try not to get into very dangerous frustrating and sometimes even comedic situations Unfortunately being a police officer isn t very popular in current times These officers were active in the mid 90 s and the public was a little more supportive but police administrations weren t necessarily so No matter what the era persons in higher stations do not want to lose their positions due to the actions of over zealous underlings These two keep trying to do things right and the right things but due to some frail human qualities and a thing called Murphy s Law things do not usually end very well for them If you have any sense of right and wrong or what s fair and what isn t you should find yourself cheering and hoping they will survive and over come all adversities If not you may be more pragmatic and think they are morons and should have known better Because realistically they have no one else to blame but each other for putting themselves in those positions Judge for yourself

Horace Krisak is attuned to echoes lingering in those gorgeous classical ruins that will outlast our century's bravest new structures. He's also attuned to the here and now in all its incongruities: a place where in Krisak's hands Chinese takeout turns out to rhyme with stakeout. These are footloose poems happily ambling here and there so the reader is hardly surprised if on one page you're in Russia and in another you're contemplating the Boston subway or if one of Vermeer's silent beauties winds up beside the silent film star Louise Brooks. Say What You Will is a smart and kindly book. Brad Leithauser, 2020 Able Muse Book Award judge, author of Rhyme's Rooms. Readers should welcome Say What You Will, the newest book of accessible but challenging poems by Len Krisak. His subjects range from high culture to pop culture and his well-crafted translations range from the ancient Greeks to Montale. This is one of the best collections of poetry in this pandemic year. A.M. Juster, author of Wonder and Wrath. ABOUT THE AUTHOR: Len Krisak graduated from the University of Michigan in 1970 and took his MA from Brandeis University in 1974. In Massachusetts he worked as a textbook editor and English teacher at Brandeis, Northeastern University, Bentley University, and Stonehill College before retiring in 2010 to write poems and translate.

The New York Times Magazine, 1989 **Weapons of Mass Distraction** Camilla Chafer, 2013-12. When a client drops dead during Lexi's spin class, she's not too surprised. After all, it's a tough class. But within days another death occurs: this time on the treadmill. Then when her running partner bites the dust, it becomes personal. Sent undercover, Lexi takes a job as Montgomery's newest gym instructor in a bid to find the killer. With her professional and personal lives headed on a collision course, Lexi is glad to take the case. Now she only has to convince her boss and new boyfriend Solomon that she's ready to solve her own case after she learns a disturbing connection between the victims. Faced with complex and dangerous circumstances, Lexi needs all of her past experience in order to catch the killer before another person falls victim. To make matters even more challenging, Lexi's best friend Lily is planning for better or worse with Lexi's brother. Just one problem: all the local wedding boutiques have been repeatedly targeted by a highly organized gang of thieves. Roped into surveillance rather than taking any chances and losing her best friend's dress, which would ruin the wedding, Lexi risks having too much to handle. The only thing she has to do is put a killer behind bars, save the dress, and save the day. Piece of cake. **Master Bits & Mercenary Bites~Girls Night** Lexi Blake, Suzanne M. Johnson, 2017-11-28.
