Taking A Stand For God:

Taking a Stand Howard G. Hendricks, 1983 **Become a Better You** Joel Osteen, 2009-08-04 Explains how to apply seven action steps to discover individual purpose and destiny in a guide complemented by biblical principles devotions and personal testimonies **Standing for God** Professor Samuel C. Obi, 2024-11-06 Standing for God is about taking a stand for God when every odd says not to Written from a Christian s perspective and by someone who has experienced this dilemma for many years this book aims to explain different facets of this issue and encourages its readers to take a stronger stand for the truth If people don t take a stand for truth bad things usually happen The results of not taking a stand can come in the ways of sufferings for the innocent losses and even death A teacher who winks at the sight of her students copying answers from other students is not doing those students any good service A witness who decides to avoid taking a stand for truth could easily send the wrong person to jail or even death while the guilty person goes free to commit more crimes The odds against God righteousness and truth are numerous these days but those who elect to stick with them are said to be the inheritors of the kingdom of heaven Matthew 5 10 12 If the truth is lost what shall the righteous do This book is divided into seven distinct chapters Chapter 1 introduces the topic and explains the preliminary issues and terminologies to set the stage for the rest of the book Chapter 2 discusses the different ways of standing for the truth and God s principles Chapter 3 looks at the important topic of standing for God for those who are in leadership Chapter 4 discusses how to stand for God in families schools workplaces and society The unpopular topic about standing for God in difficult times is discussed in chapter 5 The unsung benefits of standing for God are discussed in chapter 6 Chapter 7 is included to help those who want to be born again to understand how to do so *Storms Of Life* Okechukwu Victor, 2018-04-12 The existence of man s life is full of storms Everyone is bound to face challenges In June 2014 I flew into a spiritual storm which inspired the title of this book Storms of Life The details are too lengthy but essentially I had a crisis of faith It was hard and frightening but I thank God I wasn t swallowed up by the storm During a storm it is natural to panic The natural response to the storms of life is doubt and fear but Jesus tells us the response to storms should be trust because He is there to still the waves With this book in your hand you will learn about fifteen principles to traverse through and triumph the storms of life and certain factors that can cause one to stay in a prolonged storm and God s role in causing these storms Lord, Am I in a Cult? Amy Mayfield Wharton, 2023-10-02 Can you imagine being deceived and manipulated by someone that supposed to have your best interest in mind Can you imagine putting so much trust and faith in a person to the point he she has been made an idol Can you imagine being in a place where you thought you were serving God but when the blinders come off in reality man was being served Can you imagine belonging to a church that the leader has turned into a cult I can How could I be sitting under a false prophet in sheep s clothing Matthew 7 15 KJV Why didn t I see the fruit of this leader Matthew 7 16 KJV So many broken marriages broken families and adultery was the reputation of this ministry When my eyes were opened to the truth I knew it

was time to get out That s when it seemed my whole world was turned upside down It felt as though I was fighting for my life I began to get ostracized criticized talked about gaslighted mentally abused emotionally abused and this leader had subtly divided my home I had to hold on to God for dear life O Lord could I overcome this brokenness O Lord could I overcome this deceitfulness Winning Is Everything Roderick Zak,2003 **Take a Stand for God** Victor Paul Wierwille,1993
