Taking Back Our Schools A Manual For Parents:

Taking Back Our Schools Paul Ferrini,1999 This book is written for parents who are concerned about the education of their children It presents a simple idea that could transform the school system in this country and around the world The Wisdom of the Self Paul Ferrini,1992 Explores our authentic experience and our journey to wholeness *Grace Unfolding* Paul Ferrini,1998-02 This book is not about surrender to an outside authority but to an inside one It is about the relinquishment of our ego consciousness our separated states of heart and mind to a greater consciousness to the essence of love which is the source of who we are **The Bridge to Reality** Paul Ferrini,1990 A heart centred approach to A Course in Miracles and the process of inner healing Sharing his experiences of spiritual awakening Paul emphasises self acceptance and forgiveness as cornerstones of spiritual practice Presented with beautiful photos this book conveys the essence of The Course as it is lived in daily life **Creating a Spiritual Relationship** Paul Ferrini,1998 This book is designed for people who are either in a committed relationship or want to be A committed relationship is one path toward spiritual growth and transformation It is not the only path nor is it a very easy path The seven spiritual laws discussed in Part Two of this book provide a roadmap for couples who are committed to their mutual spiritual growth This simple but profound guide to growth and happiness for couples will help you and your partner weather the ups and downs of your relationship so that you can grow together and deepen the intimacy between you Illuminations on the Road to Nowhere Paul Ferrini,2001-05 There comes a time for all of us when the outer destinations no longer satisfy and we finally understand that the love and happiness we seek cannot be found outside of us It must be found in our own hearts on the other side of our pain This book makes it clear that we can no longer rely on outer teachers or teachings to find our spiritual identity Nor can we find who we are in relationships where boundaries are blurred and one person makes decisions for another If we want to be authentic we can't allow anyone else to be an authority for us nor can we allow ourselves to be an authority for another person This provocative book challenges many of our basic assumptions about personal happiness and the meaning of our relationship with others and with God **The Silence of the Heart** Paul Ferrini,1996 A powerful sequel to Love Without Conditions John Bradshaw says with deep insight and sparkling clarity this book demonstrates that the roots of all abuse are to be found in our own self betrayal Paul Ferrini leads us skilfully and courageously beyond shame blame and attachment to our wounds into the depths of self forgiveness a must read for all people who are ready to take responsibility for their own healing **Living in the Heart** Paul Ferrini,1998-02 The definitive book on the Affinity Process Now you can learn how to hold a safe loving non judgmental space for yourself and others which will enable you to open your heart and move through your fears If you are a serious student of the Christ Mind teachings this book is essential for you It will enable you to begin a spiritual practice which will transform your life and the lives of others It will also offer you a way of extending the teachings of love and forgiveness throughout your community *Love Without Conditions* Paul Ferrini,2021-11-02 The incredible book from Jesus

calling us to awaken to our own Christhood Rarely has any book conveyed the teachings of the master in such a simple but profound manner This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life **Forbidden Fruit** Paul Ferrini,2002 Adam and Eve were not just naughty disobedient children They were created in God s image They had God s desire for creative expression and awareness As long as they remained in the Garden they could not take the next step in their evolution How do you convince a dependent obedient child to leave home especially if there is a comfortable bed and three gourmet meals served every day Adam and Eve weren t going to make a conscious choice to leave the comforts of the Garden The choice had to be made at an unconscious level They were driven by a desire they did not yet understand And so these two archetypal beings began a spiritual journey that would take them from sin to atonement from ignorance to knowledge from denial to responsibility They would have to explore their darkness to find the light They would have to become sinners to discover the blueprint for their redemption They would have to experience the limits of their bodies their minds and the three dimensional world to know that their true nature transcended all this To become God they had to first become human Book jacket
