Taking Eden Robert Clinton, 1998 A haunting new voice echoing Robert Frost Garcia Lorca and a dash of the Brothers Grimm Eden Dennis Schmitz, 1989 **A Concordance to the Poems of Emily Dickinson** S. P. Rosenbaum, 2019-06-30 A Concordance to the Poems of Emily Dickinson is the third volume in the distinguished series Cornell Concordances Like the others it was programmed on an IBM 704 electronic computer and provides an alphabetical list of all significant words each word given in context In order to provide variants it was based on Thomas H Johnson's three volume edition of all the known texts of Emily Dickinson's poems Included are an analytical preface by the editor and an index of words in the order of frequency *General essay on Milton's English and versification and notes to the poems* John Milton, 1894 Milton's Late Poems Lee Morrissey, 2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts Paradise Lost Paradise Regained and Samson Agonistes as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel *Photographing Eden* Jason Gray, 2008 Winner of the 2008 Hollis Summers Poetry Prize Photographing Eden presents the first full length collection of poems by a major new talent The work meditates on several ideas the crux of which is Eden spirituality environmentalism and the relationships between men and women Observing often through the lens of a camera our state in the world the poems try to focus sharply on what often seems a blur The poems are always attentive to artistic mediums and the craft behind them because our struggle is to make something perfect in the imperfect world in which we live while acknowledging the impossibility of that quest Gray's poems range all over from adventures in Egyptian ruins with machine gun toting tourist police to the western edge of the foggy Irish coastline and to the mythic past where Adam and Eve visit a zoo and Eden has become a nature preserve **100 Poems by 100 Poets** Harold Pinter, Geoffrey Godbert, Anthony Astbury, 1986 A collection of one hundred poems that the editors believe represent the finest English poetry ever written **W.B. Yeats, Ezra Pound, and the Poetry of Paradise** Sean Pryor, 2016-02-24 Emphasizing the interplay of aesthetic forms and religious modes Sean Pryor's ambitious study takes up the endlessly reiterated longing for paradise that features throughout the works of W B Yeats and Ezra Pound Yeats and Pound define poetry in terms of paradise and paradise in terms of poetry Pryor suggests and these complex interconnections fundamentally shape the development of their art Even as he maps the shared influences and intellectual interests of Yeats

and Pound and highlights those moments when their poetic theories converge Pryor's discussion of their poems profound formal and conceptual differences uncovers the distinctive ways each writer imagines the divine the good the beautiful or the satisfaction of desire Throughout his study Pryor argues that Yeats and Pound reconceive the quest for paradise as a quest for a new kind of poetry a journey that Pryor traces by analysing unpublished manuscript drafts and newly published drafts that have received little attention For Yeats and Pound the journey towards a paradisaic poetic becomes a never ending quest at once self defeating and self fulfilling a formulation that has implications not only for the work of these two poets but for the study of modernist literature
