Majken Jul Sørensen

Taking Humour Seriously:

Taking Laughter Seriously John Morreall, 1983-06-30 There has never been a time in Western history that humor and laughter were not topics of intellectual debate and interest That is still true John Morreall's broad ranging concerns in *Taking Laughter Seriously* make it a book that will interest those in the social and behavioral sciences philosophy English literature and criticism drama and folklore Morreall has done an admirable job of analyzing earlier theories His discussions of humor as aesthetic experience social lubricant and valuable human feature are original and provocative Jeffrey H Goldstein Professor of Psychology Temple University The attempt at providing a theoretical framework which will include all forms of laughter and humor and will accommodate the main types of theories previously advanced is the principal thrust and success of *Taking Laughter Seriously* The topic is important and is one which philosophers have tended to ignore as have most disciplines It needs periodic philosophical reflection The book is clearly written well organized and well illustrated Morreall's style sometimes almost conversational fits the subject matter One would hope that a book on laughter and humor even a scholarly one would not be so ponderous and officious that it evidenced little relationship to its announced topic *Taking Laughter Seriously* avoids that contradiction and strikes a good balance Conrad Hyers Professor of Religion Gustavus Adolphus College author of *The Comic Vision and the Christian Faith* The book's qualities are first its scope and persuasiveness The whole book demonstrates the seriousness of humor and its central place in human life I know of no comparable work The second quality of *Taking Laughter Seriously* is its clarity and its engaging style It knocks out previous theories of laughter including Freud's and replaces them with a comprehensive one of its own It is bloody funny It will be enjoyed by philosophers psychologists teachers and anyone who can read G J Barker Benfield Associate Professor of History State University of New York at Albany

Taking Humour Seriously Jerry Palmer, 1994-01 examines those things which prevent enjoyment of humour and explores the values of comedic enjoyment *Humor, Seriously* Jennifer Aaker, Naomi Bagdonas, 2021-02-02 WALL STREET JOURNAL LOS ANGELES TIMES AND USA TODAY BESTSELLER Anyone even you can learn how to harness the power of humor in business and life based on the popular class at Stanford's Graduate School of Business Don't miss the authors TED Talk Why great leaders take humor seriously online now The ultimate guide to using the magical power of funny as a tool for leadership and a force for good Daniel H Pink 1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives So it should come as a surprise to exactly no one that trust human connection and mental well being are all on the decline This may seem like no laughing matter Yet the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships diffusing stress and tension boosting resilience and performing when the stakes are high That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor Serious Business* at the Stanford Graduate School of Business where they help some of the world's most hard driving

blazer wearing business minds infuse more humor and levity into their work and lives In *Humor Seriously* they draw on findings by behavioral scientists world class comedians and inspiring business leaders to reveal how humor works and more important how you can use more of it better Aaker and Bagdonas unpack the theory and application of humor what makes something funny how to mine your life for material and simple ways to identify and leverage your unique humor style They show how to use humor to rebuild vital connections appear more confident competent and authentic at work and foster cultures where levity and creativity can thrive President Dwight David Eisenhower once said A sense of humor is part of the art of leadership of getting along with people of getting things done If Dwight David Eisenhower the second least naturally funny president after Franklin Pierce thought humor was necessary to win wars build highways and warn against the military industrial complex then you might consider learning it too **Humour, Seriously** Jennifer Aaker,Naomi

Bagdonas,2020-10-08 WALL STREET JOURNAL BESTSELLER A smart funny brilliant book on how to be smart about being funny brilliantly Sarah Cooper This book has finally convinced me that joking around can actually be important and powerful Ed Gamble Eye opening important and utterly enjoyable Come for the humour stay for the insights Arianna Huffington Humour is a superpower If you re not using it the joke s on you When we re kids we laugh all the time The average four year old laughs as many as 300 times a day while the average forty year old laughs 300 times every two and a half months We grow up start working and suddenly become serious and important people trading laughter for bottom lines and mind dumbing zoom calls But the benefits of humour for our work and life are huge Studies have shown that humour makes us appear more competent and confident strengthens our relationships unlocks creativity and boosts resilience during difficult times Dr Jennifer Aaker and Naomi Bagdonas are on a mission to help everyone discover the power of humour Based on the popular Stanford Business course this book will show you how to mine your life for material explore the Four Deadly Humour Myths and help you figure out which style of humour you fall into The Magnet The Sweetheart The Sniper or the Stand Up Drawing on behavioural science advice from world class comedians and stories from top leaders *Humour Seriously* will show you how to harness the power of humour every day **Taking Humour Seriously** Mr Jerry Palmer,Jerry

Palmer,2003-12-16 First published in 1993 Routledge is an imprint of Taylor Francis an informa company We Must Take Humour Seriously Beau,2006-01-10 Humour at its best The Philosophy of Humour Paul McDonald,2013-03-01 Comic novelist and critic Paul McDonald explores the philosophy of humour in a book that will appeal to philosophers and creative writers alike One aim of this book is to assess theories of humour and laughter It concentrates mainly on philosophical approaches to humour including those of Plato Aristotle Cicero Descartes Hobbes Bergson Kant Schopenhauer Kierkegaard Freud and Bakhtin but also explores such fields as cultural studies literary theory religion psychoanalysis and psychology this broad focus makes for a richer account of humour its relationship with philosophical thought and its bearing on the human condition Readers are invited to engage in creative writing exercises designed to exploit this crucial facet of humour and to

help them explore relevant issues imaginatively In this way they will deepen their understanding of those issues whilst at the same time cultivating their own creative skills

REVIEW COMMENT The philosophical study of humour has a complex and fitful history few people have been brave enough to write about humour seriously and those who have tend to disagree with one another For those seeking an entry point Paul McDonald s *The Philosophy of Humour* 2012 gives a useful overview of the major theories There are those who believe that laughter derives from a sense of superiority Hobbes and Bergson or from a sense of relief or release of energy Freud s economy of psychic expenditure But the earliest most primal examples of humour all seem to have some sort of incongruity at their heart McDonald gives the example of the Lion Man figure found in 1939 in the Swabian Alps which is thought to be about 35 000 years old Having the body of a lion and the legs of a man it is thought to be one of the earliest examples of represented incongruity dating from the time when human beings first developed an ability to juxtapose disparate concepts Jonathan Coe *The Guardian* [Why So Serious: On Philosophy and Comedy](#) Russell Ford,2018-12-07 The Western philosophical tradition shows a marked fondness for tragedy From Plato and Aristotle through German idealism to contemporary reflections on the murderous violence of the twentieth century philosophy has often looked to tragedy for resources to make suffering grief and death thinkable But what if showing a preference for tragedy philosophical thought has unwittingly and unknowingly aligned itself with a form of thinking that accepts injustice without protest This collection explores possibilities for philosophical thinking that refuses the tragic model of thought and turns instead to its often overlooked companion comedy Comprising of a series of experiments ranging across the philosophical tradition the essays in this volume propose to break or at least suspend the use of tragedy as an index of truth and philosophical worth Instead they explore new conceptions of solidarity sympathy critique and justice In addition the essays collected here provide ample reason to believe that philosophical thinking aligned with comedy is capable of important and original insights discoveries and creations The prejudicial acceptance of tragic seriousness only impoverishes the life of thought it can be rejuvenated and renewed by laughter and the comic This book was originally published as a special issue of *Angelaki*

Humour and the Performance of Power in South Asia Sasanka Perera,Dev Nath Pathak,2022-01-25 This book critically examines the role and politics of humour and the performance of power in South Asia What does humour do and how does it manifest when lived political circumstances experience ruptures or instability Can humour that emerges in such circumstances be viewed as a specific narrative on the nature of democracy in the region Drawing upon essays from India Sri Lanka and Bangladesh this volume discusses many crucial historical and contemporary themes including dance drama performances in northern India caste and stand up comedy in India cartoon narratives of citizens anxieties civic participation through social media memes in Sri Lanka media politics and humorous public in Bangladesh the politics of performance in India and the influence of humour and satire as political commentaries The volume explores the impact of humour in South Asian folklore ritual performances media and journalism and online technologies This topical and

interdisciplinary book will be essential for scholars and researchers of cultural studies political science sociology and social anthropology media and communication studies theatre and performance studies and South Asian studies **Humour in**

Political Activism Majken Jul Sørensen, 2016-08-23 This book analyses how humour in political activism contributes to facilitating outreach mobilisation and the sustaining of cultures of resistance Drawing on examples of attention grabbing stunts from around the world Humour in Political Activism demonstrates how they succeed in turning relations of power upside down The ambiguity and unpredictability of humour Sørensen argues makes it difficult to respond to this form of political activism when it is performed in public Humorous political stunts can therefore challenge state power help influence changes in law and make significant contributions to the conversations about how societies should be organised The book also investigates the potential risks and limitations of using humour in nonviolent action and what makes humour unique compared with other forms of non humorous political activism **Developments in Linguistic Humour Theory** Marta

Dynel, 2013-10-15 This volume presents recent developments in the linguistics of humour It depicts new theoretical proposals for capturing different humorous forms and phenomena central to humour research thereby extending its scope The 15 contributions critically survey and develop the existing interpretative models or they postulate novel theoretical approaches to humour in order to better elucidate its workings The collection of articles offers cutting edge interdisciplinary explorations encompassing various realms of linguistics semantics pragmatics stylistics cognitive linguistics and language philosophy as well as drawing on findings from other fields primarily sociology psychology and anthropology Thanks to careful overviews of the relevant background literature the papers will be of use to not only researchers and academics but also students Albeit focused on theoretical developments rather than case studies the volume is illustrated with interesting research data such as the discourse of television programmes and series films and stand up comedy as well as jokes Religious Humor in

Evangelical Christian and Mormon Culture Elisha McIntyre, 2018-01-25 Incorporating perspectives from religious studies humor studies cultural and film studies and theology as well as original data from textual analysis and the voices of religious comedians this book critically analyses the experiences of believers who appreciate that their faith is not necessarily a barrier to their laughter It is often thought that religion and humor are incompatible but Religious Humor in Evangelical Christian and Mormon Culture shows that humor is not only a popular means of entertainment but also a way in which an individual or community expresses their identity and values Elisha McIntyre argues that believers embrace their sense of humor actively producing and consciously consuming comic entertainment that reflects their own experiences This process is not however without conflict The book argues that there are specific characteristics that indicate a unique kind of humor that may be called religious humor Through an examination of religious humor found in stand up comedy television sitcoms comedy film and satirical cartoons and drawing on interview data the book outlines the main considerations that Christians take into account when choosing their comedy entertainment These include questions about ideology blasphemy taboos

around the body and the motives behind the joke

Because I Tell a Joke or Two Stephen Wagg, 2004-01-14 Because I Tell a Joke or Two explores the complex relationship between comedy and the social differences of class region age gender sexuality ethnicity and nationhood It shows how comedy has been used to sustain challenge and to change power relationships in society The contributors who include Stephen Wagg Mark Simpson Stephen Small Paul Wells and Frances Williams offer readings of comedy genres texts and performers in Britain the United States and Australia The collection also includes an interview with the comedian Jo Brand Topics addressed include women in British comedies such as Butterflies and Fawlty Towers the life and times of Viz from Billy the Fish to the Fat Slags queer readings of Morecambe and Wise the male double act the Marx brothers and Jewish comedy in the United States black radical comedy in Britain The Golden Girls Cheers Friends and American society

The Rhetoric of Racist Humour Simon Weaver, 2016-02-24 In today's multicultural and multireligious societies humour and comedy often become the focus of controversy over alleged racist or offensive content as shown for instance by the intense debate of Sacha Baron Cohen's characters Ali G and Borat and the Prophet Muhammad cartoons published in the Danish newspaper Jyllands Posten Despite these intense debates commentary on humour in the academy lacks a clear way of connecting the serious and the humorous and a clear way of accounting for the serious impact of comic language The absence of a developed serious vocabulary with which to judge the humorous tends to encourage polarized debates which fail to account for the paradoxes of humour This book draws on the social theory of Zygmunt Baumann to examine the linguistic structure of humour arguing that as a form of language similar to metaphor it is both unstable and unpredictable and structurally prone to act rhetorically that is to be convincing Deconstructing the dominant form of racism aimed at black people in the US and that aimed at Asians in the UK The Rhetoric of Racist Humour shows how racist humour expresses and supports racial stereotypes in the US and UK while also exploring the forms of resistance presented by the humour of Black and Asian comedians to such stereotypes An engaging exploration of modern late modern and fluid or postmodern forms of humour this book will be of interest to sociologists and scholars of cultural and media studies as well as those working in the fields of race and ethnicity humour and cultural theory

The Coloniality of Language in Digital Humour Beatriz Carbajal-Carrera, 2025-10-29 Humour has not yet been systematically analysed from a decolonial perspective This book addresses the coloniality of language in online humour from an interdisciplinary decolonial linguistics approach that places attentional processes at the centre of the analysis Its chapters contribute to linguistic research with a novel theoretical framework for the analysis of digital humour by foregrounding attentional processes and power relations The contributions made in its pages stem from the recognition that coloniality is so profoundly embedded in our communicative practices that it often remains unnoticed For that reason the book invites the reader to reflect on how we exercise attention

Comedy Andrew Stott, 2004-11-26 Rather than attempting to produce a totalising definition of the comic this volume focuses on the significance of comic events through study of various theoretical

methodologies including deconstruction psychoanalysis and gender theory Key Concepts in Nursing Elizabeth Mason-Whitehead,Annette McIntosh-Scott,Ann Bryan,Tom Mason,2008-03-17 Nursing can be complex and challenging to new students and trainee practitioners Key Concepts in Nursing provides a much needed guide to the central topics and debates which shape nursing theory policy and contemporary practice From assessment to ethics and leadership to risk management the book offers a comprehensive yet concise guide to the professional field Each entry features a snapshot definition of the concept a broader discussion addressing the main issues and links to practice key points relevant to the entry case studies to illustrate the application to practice examples of further reading Highly readable with clear indexing and cross referencing this is an ideal book for trainees to turn to for learning more about key issues in nursing practice and education It meets the validation requirements of all training programmes and will also be invaluable for nurses continuing their professional education those returning to practice and for mentoring **Humorous Discourse** Wladyslaw

Chlopicki,Dorota Brzozowska,2017-10-23 This book attempts to discuss selected but thorny issues of humor research that form the major stumbling blocks as well as challenges in humor studies at large and thus merit insightful discussion Any discourse is action so the text creation process is always set in a non verbal context built of a social and communicative situation and against the background of relevant culture On the other hand humor scholars claim that humorous discourse has its special essential features that distinguish it from other discourses The pragmatic solution to the issue of potential circularity of humor defined in terms of discourse and discourse in terms of humor seems only feasible and thus there is a need to discuss the structure and mechanisms of humorous texts and humorous performances The chapters in the present volume contributed by leading scholars in the field of humor studies address the issues from various theoretical perspectives from contextual semantics through General Theory of Verbal Humor cognitive linguistics discourse studies sociolinguistics to Ontological Semantic Theory of Humor providing an excellent overview of the field to novices and experts alike The Gothic in Children's Literature Anna Jackson,Roderick McGillis,Karen Coats,2013-10-11 From creepy picture books to Harry Potter Lemony Snicket the Spiderwick Chronicles and countless vampire series for young adult readers fear has become a dominant mode of entertainment for young readers The last two decades have seen an enormous growth in the critical study of two very different genres the Gothic and children s literature The Gothic concerned with the perverse and the forbidden with adult sexuality and religious or metaphysical doubts and heresies seems to represent everything that children s literature as a genre was designed to keep out Indeed this does seem to be very much the way that children s literature was marketed in the late eighteenth century at exactly the same time that the Gothic was really taking off written by the same women novelists who were responsible for the promotion of a safe and segregated children s literature This collection examines the early intersection of the Gothic and children s literature and the contemporary manifestations of the gothic impulse revealing that Gothic elements can in fact be traced in children s literature for as long as children have been reading

The Linguistic Analysis of Jokes Graeme Ritchie, 2004-03 Graeme Ritchie advocates a cognitive science approach to humour research aiming for higher levels of detail and formality than has been customary in humour research and argues the case for analyzing jokes and humour

Enjoying the Beat of Phrase: An Psychological Symphony within **Taking Humour Seriously**

In a world eaten by displays and the ceaseless chatter of instant connection, the melodic elegance and emotional symphony produced by the prepared term usually fade into the backdrop, eclipsed by the constant noise and distractions that permeate our lives. However, nestled within the pages of **Taking Humour Seriously** a stunning literary treasure brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts viewers on a psychological trip, well unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths of the emotional assessment, we shall examine the book is central harmonies, analyze their enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Taking Humour Seriously Introduction

In today's digital age, the availability of Taking Humour Seriously books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Taking Humour Seriously books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Taking Humour Seriously books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Taking Humour Seriously versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Taking Humour Seriously books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Taking Humour Seriously books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Taking Humour Seriously books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Taking Humour Seriously books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Taking Humour Seriously books and manuals for download and embark on your journey of knowledge?

FAQs About Taking Humour Seriously Books

1. Where can I buy Taking Humour Seriously books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Taking Humour Seriously book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Taking Humour Seriously books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Taking Humour Seriously audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
