

A conceptual image showing a magnifying glass with a silver handle and black frame. The lens is positioned over a dark, textured surface that resembles a chalkboard. On this surface, the words "HEART DISEASE" are written in a white, hand-drawn, chalk-like font. The magnifying glass is angled from the bottom right, with its lens centered over the text. The background is dark and has a mottled, organic texture, possibly representing a microscopic view or a close-up of a natural surface. The overall tone is serious and focused, emphasizing the medical theme.
