Gender and Sexuality in Ghanaian Societies Martha Donkor, Amoaba Gooden, 2022-09-01 Gender and Sexuality in Ghanaian Societies explores cultural dynamics embedded in the interstices of agency vulnerability and power within patriarchal structures that seek to regulate the sexual lives of women in Ghana Emphasizing the centrality of gender as a motive force for sexual expression the book stresses that contemporary Ghanaian women s sexual expressions are caught at the intersection of traditional gender expectations of heteronormativity and women s perceptions of how heteronormativity should operate in their lives The book s emphasis on women s agency is significant because it highlights a flaw in earlier Western accounts of African women s lives under Africa s special brand of patriarchy that held women in total subjection to men Gender and Sexuality debunks that trope and presents Ghanaian women s dynamism resilience and vulnerabilities embedded in the diverse cultures in which they live

Historical and Archaeological Perspectives on Gender Transformations Suzanne M. Spencer-Wood,2012-12-09 In many facets of Western culture including archaeology there remains a legacy of perceiving gender divisions as natural innate and biological in origin This belief follows that men are naturally pre disposed to public intellectual pursuits while women are innately designed to care for the home and take care of children In the interpretation of material culture accepted notions of gender roles are often applied to new findings the dichotomy between the domestic sphere of women and the public sphere of men can color interpretations of new materials In this innovative volume the contributors focus explicitly on analyzing the materiality of historic changes in the domestic sphere around the world Combining a global scope with great temporal depth chapters in the volume explore how gender ideologies identities relationships power dynamics and practices were materially changed in the past thus showing how they could be changed in the future

Gender and Sexual Dissidence on Catalan and Spanish Television Series Silvia Grassi,2016-09-23 Taking as a starting point an interpretation of the television medium as an Ideological State Apparatus this book examines how gender roles and non heteronormative sexualities are constructed in Spanish and Catalan television series In the first part which focuses on the construction of gender roles in Catalan soap operas it applies the analytical paradigms founded by Anglo Saxon feminist scholars for the content of soap operas to a corpus of material which has rarely been analysed through this perspective In the

second part which focuses on the construction of non heteronormative sexualities in Spanish and Catalan television series the book challenges the rhetoric of normalisation and the essentialist paradigms which have so far dominated the examination of the construction of sexuality in television series As such this book addresses the role performed by television in the construction of meanings which surround gender issues and non heteronormative sexualities This is a timely exercise because gender studies and studies of sexual dissidence are fairly recent fields in Spanish and Catalan academia and television has been largely disregarded especially as far as the analysis of characters and storylines is concerned As a result this book represents a major contribution to these fields in the Spanish and Catalan contexts

Handbook for Achieving Gender Equity Through Education Susan S. Klein, Barbara Richardson, Dolores A. Grayson, Lynn H. Fox, Cheris Kramarae, Diane S. Pollard, Carol Anne Dwyer, 2014-05-22 First published in 1985 the Handbook for Achieving Gender Equity Through Education quickly established itself as the essential reference work concerning gender equity in education This new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting U S national data on the gains and losses in the efforts to advance gender equality through policies such as Title IX the landmark federal law prohibiting sex discrimination in education equity programs and research Key features include Expertise Like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education Content Area Focus The analysis of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering Global Diversity Focus Global gender equity is addressed in a separate chapter as well as in numerous other chapters The expanded section on gender equity strategies for diverse populations contains seven chapters on African Americans Latina os Asian and Pacific Island Americans American Indians gifted students students with disabilities and lesbian gay bisexual and transgender students Action Oriented All chapters contain practical recommendations for making education activities and outcomes more gender equitable A final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education New Material Expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender equity is now treated in three chapters women s and gender studies communication skills relating to English bilingual and foreign language learning and history and implementation of Title IX and other federal and state policies Since there is so much misleading information about gender equity and education this Handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers Title IX coordinators equity trainers women s and gender study faculty students and
