*The Scriptural Tale in the Fourth Gospel* Edward H. Gerber,2016-09-27 A more nuanced view of the Fourth Gospel s media nature suggests a new and promising paradigm for assessing expansive and embedded uses of scripture in this work The majority of studies exploring the Fourth Evangelist s use of scripture to date have approached the Fourth Gospel as the product of a highly gifted writer who carefully interweaves various elements and figures from scripture into the canvas of his completed document The present study attempts to calibrate a literary approach to the Fourth Gospel s use of scripture with an appreciation for oral poetic influences whereby an orally situated composer s use of traditional references and compositional strategy could be of one and the same piece Most importantly pre formed story patterns thick with referential meaning were used in the construction of new works The present study makes the case that the Fourth Evangelist has patterned his story of Jesus after a retelling of the story of Adam Israel in two interrelated ways first in the prologue and then in the body of the Gospel as a whole

*Is Atheism Dead?* Eric Metaxas,2021-10-19 *Is Atheism Dead* is an entertaining impressively wide ranging and decidedly provocative answer to that famous 1966 TIME cover that itself provocatively asked Is God Dead In a voice that is by turns witty muscular and poetic Metaxas intentionally echoes C S Lewis and G K Chesterton in cheerfully and logically making his astonishing case along the way presenting breathtaking and often withering new evidence and arguments against the idea of a Creatorless universe Taken all together he shows atheism not merely to be implausible and intellectually sloppy but now demonstrably ridiculous Perhaps the only unanswered question on the subject is why we couldn t see this sooner and how embarrassed we should be about it
