

# Train Journey

By Maya Anthony

Steel on steel, a lullaby hums,  
Past meadows, mountains, city slums.  
Windows frame a fleeting scene,  
Life's montage, in between.

Rhythms rock, landscapes blur,  
Each mile, a new adventure to concur.  
Whistle blows, tunnels near,  
Echoes of journeys, far and clear.

Station stops, stories blend,  
Onward the tracks seem to extend.  
In the dance of rails and rhymes,  
Time is told in train chimes.

Davis,Erin Murphy,2010-02-02 This diverse collection of poems and companion essays by forty nationally and internationally known poets allows readers to experience the creative process through the eyes and voice of each poet No matter how often we are told that revision is an essential component of poetic composition it can be difficult to resist the temptation to think of the poem as having sprung spontaneously Athena like from the writer s head By exposing readers to the finished product as well as the poet s own account of the poem s creation Making Poems offers a behind the scenes perspective on the poetic process that will fascinate both beginning and established writers The book also affords poetry instructors an opportunity to demonstrate to their students the ways in which poems can originate from seemingly mundane and unlikely sources      **A Study of Railway Transportation** Association of American Railroads,1942      **Celebrating Poetry Across the K-12 Curriculum** Napoli, Mary,Day, Deanna,Ward, Barbara A.,2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings When teachers infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and support literacy instruction However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry Given the importance of sharing poetry with today s youth educators must feel confident in evaluating well written poetry and how to weave poetry from award winning poets to support interdisciplinary connections Celebrating Poetry Across the K 12 Curriculum aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children s poetry its relevance to children s lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more      *The Underground Poetry Metro Transportation System for Souls* Tony Hoagland,2019-10-23 The Underground Poetry Metro Transportation System for Souls collects 16

essays by late Tony Hoagland Gathered by Hoagland himself into a volume for the Poets on Poetry series these pieces grapple with an expansive range of poetic and cultural concerns and the surprising and necessary knowledge to be found where they cross paths His trademark humor and irony at once approachable thoughtful and sophisticated lead the way toward clear eyed sometimes difficult considerations of contemporary American culture Through his curiosity he elevates the seemingly quotidian into a profound subject worthy of close consideration Hoagland's generosity of spirit imbues his work with empathy for experiences beyond his own and his honesty allows him to turn a critical eye on himself and to acknowledge the limits of his understanding This collection will be rewarding not just for readers of contemporary poetry but for anyone who wants to step back take a look at our American reality and know we'll be okay Collected Poems Lorna
