Taking Time Off In Israel:

End-Time Prophecy Made Easy William Lightner, 2018-08-24 I chose the name End Time Prophecy Made Easy because my goal in writing this book was to simplify prophecy for the average layperson Moreover since Prophecy for Dummies was already taken and copy written I had to choose something If you are a biblical scholar or theological genius this book is definitely not for you However if you are one of the millions of regular people who would just like to know more about end time prophecy this book will make things easier to understand and reduce it to the bare bones It explains what the rapture is where it is located in the Bible and who it is directed toward It explains the tribulation judgment seat of Christ wedding banquet of the Lamb and millennium in nontechnical language This book also distinguishes the differences between the nation of Israel the church and the rest of the world describing their parts in each event It takes each end time event and besides describing what each event is puts it on a timeline depicting the order of these events Interestingly to most people this book also points to the various places in the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays [The Making of Israel's Army](#) Yigal Allon, 2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880 s when Jewish communities in Palestine formed their first small self defence groups through the Haganah s clandestine period in the 1920 s and 30 s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government s military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel s military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel s War of Independence Middle East Journal The development of Israel s armed forces and

military doctrine in the context of that country's unique strategic needs Especially interesting are the criticisms of some of the Israeli government's decisions taken just before and during the Six Day War Foreign Affairs An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book's descriptions of individual actions by participants in the first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs

The National Restoration and Conversion of the Twelve Tribes of Israel Walter Chamberlain, 1854 Taking Leave of Your Home Mark G. Boyer, 2016-08-04 We are pilgrims on a journey that means we will leave our home and move to another one at least once during our lifetime This book is a resource for taking leave of a home focusing primarily on the psychological and spiritual tasks of moving Chapter 1 offers suggestions on how to take leave of one's home slowly Chapter 2 presents occasions when one must quickly take leave of a home because of poor health a health emergency age the death of a spouse finances a job transfer etc Because nature can precipitate a move chapter 3 offers suggestions for taking leave of a home when one has been faced with such a disaster as a tornado a flood an earthquake a fire etc Chapter 4 presents a short prayer service to be held on moving day For every one of the entries a few verses of a Scripture text that is appropriate for the topic under consideration are given A reflection follows The reflection is followed by an activity which involves the members of a family in some way A prayer concludes the exercise **History of the People of Israel: From the time of Hezekiah till the return from Babylon. 1894** Ernest Renan, 1891 *History of the People of Israel: From the time of Hezekiah till the return from Babylon. 1891* Ernest Renan, 1891 **The Early Religion of Israel** James Robertson, 1892
