**Taking Back the Streets** Temma Kaplan, 2004-02-16 Annotation A passionate and beautifully written book about women's political and social activism mobilization and resistance in Argentina Chile and Spain *Strongmen: Mussolini to the Present* Ruth Ben-Ghiat, 2020-11-10 What modern authoritarian leaders have in common and how they can be stopped Ruth Ben-Ghiat is the expert on the strongman playbook employed by authoritarian demagogues from Mussolini to Putin enabling her to predict with uncanny accuracy the recent experience in America and Europe In *Strongmen* she lays bare the blueprint these leaders have followed over the past 100 years and empowers us to recognize resist and prevent their disastrous rule in the future For ours is the age of authoritarian rulers self-proclaimed saviors of the nation who evade accountability while robbing their people of truth treasure and the protections of democracy They promise law and order then legitimize lawbreaking by financial sexual and other predators They use masculinity as a symbol of strength and a political weapon Taking what you want and getting away with it becomes proof of male authority They use propaganda corruption and violence to stay in power Vladimir Putin and Mobutu Sese Seko's kleptocracies Augusto Pinochet's torture sites Benito Mussolini and Muammar Gaddafi's systems of sexual exploitation and Silvio Berlusconi and Donald Trump's relentless misinformation all show how authoritarian rule far from ensuring stability is marked by destructive chaos No other type of leader is so transparent about prioritizing self-interest over the public good As one country after another has discovered the strongman is at his worst when true guidance is most needed by his country Recounting the acts of solidarity and dignity that have undone strongmen over the past 100 years Ben-Ghiat makes vividly clear that only by seeing the strongman for what he is and by valuing one another as he is unable to do can we stop him now and in the future **Lost in the USA** Deborah Gray White, 2017-03-09 Remembered as an era of peace and prosperity turn of the millennium America was also a time of mass protest But the political demands of the marchers seemed secondary to an urgent desire for renewal and restoration felt by people from all walks of life Drawing on thousands of personal testimonies Deborah Gray White explores how Americans sought better ways of living in and dealing with a rapidly changing world From the Million Man Million Woman and Million Mom Marches to the Promise Keepers and LGBT protests White reveals a people lost in their own country Mass gatherings offered a chance to bond with like-minded others against a relentless tide of loneliness and isolation By participating individuals opened a door to self-discovery that energized their quests for order autonomy personal meaning and fellowship in a society that seemed hostile to such deeper human needs Moving forward in time White also shows what marchers found out about themselves and those gathered around them The result is an eye-opening reconsideration of a defining time in contemporary America Social Movements, Cultural Memory and Digital Media Samuel Merrill, Emily Keightley, Priska Daphi, 2020-02-20 This collected volume is the first to study the interface between contemporary social movements cultural memory and digital media Establishing the digital memory work practices of social movements as an

important area of research it reveals how activists use digital media to lay claim to circulate and curate cultural memories Interdisciplinary in scope its contributors address mobilizations of mediated remembrance in the USA Germany Sweden Italy India Argentina the UK and Russia *Democracy* Temma Kaplan,2015 Focusing on local movements to achieve equal distribution of social economic and political rights and natural resources *Democracy A World History* examines how ordinary and extraordinary men and women of different cultural and religious backgrounds have formed and attempted to sustain institutions that would permit them to live together in equality and peace

**Gender and the Mexican Revolution** Stephanie J. Smith,2009 The state of Yucatan is commonly considered to have been a hotbed of radical feminism during the Mexican Revolution Challenging this romanticized view Stephanie Smith examines the revolutionary reforms designed to break women s ties to tradition and rel Reckoning with Pinochet Steve J. Stern,2010-04-30 The first comprehensive account of how Chile came to terms with General Augusto Pinochets legacy of human rights atrocities

**Citizens and Sportsmen** Brenda Elsey,2011-07-01 F tbol or soccer as it is called in the United States is the most popular sport in the world Millions of people schedule their lives and build identities around it The World Cup tournament played every four years draws an audience of more than a billion people and provides a global platform for displays of athletic prowess nationalist rhetoric and commercial advertising F tbol is ubiquitous in Latin America yet few academic histories of the sport exist and even fewer focus on its relevance to politics in the region To fill that gap this book uses amateur f tbol clubs in Chile to understand the history of civic associations popular culture and politics In *Citizens and Sportsmen* Brenda Elsey argues that f tbol clubs integrated working class men into urban politics connected them to parties and served as venues of political critique In this way they contributed to the democratization of the public sphere Elsey shows how club members debated ideas about class ethnic and gender identities and also how their belief in the uniquely democratic nature of Chile energized state institutions even as it led members to criticize those very institutions Furthermore she reveals how f tbol clubs created rituals narratives and symbols that legitimated workers claims to political subjectivity Her case study demonstrates that the relationship between formal and informal politics is essential to fostering civic engagement and supporting democratic practices

*James and Esther Cooper Jackson* Sara Rzeszutek Haviland,2015-11-06 This dual biography examines the ideas and activism of two of the most committed and significant freedom fighters in twentieth century America Erik Gellman author of *Death Blow to Jim Crow* Growing up in Virginia during the Great Depression James E Jackson and Esther Cooper Jackson understood that opportunities came differently for blacks and whites men and women rich and poor They devoted their lives to the black freedom movement and saw a path to racial equality through the Communist Party This political affiliation would come to define not only their activism but also the course of their marriage as the Cold War years unfolded In this dual biography Sara Rzeszutek examines the couple s political involvement as well as the evolution of their personal and public lives in the face of ever shifting contexts She documents the Jacksons contributions to the early civil rights

movement discussing their time leading the Southern Negro Youth Congress which laid the groundwork for youth activists in the 1960s their writings in periodicals such as Political Affairs and their editorial involvement in The Worker and the civil rights magazine Freedomways Drawing upon correspondence organizational literature and interviews with the Jacksons themselves Haviland presents a portrait of a remarkable pair who lived during a transformative period of American history Their story offers a vital narrative of persistence love and activism across the long arc of the black freedom movement

**Fashion, Gender and Agency in Latin American and Spanish Literature** Stephanie N. Saunders, 2021 In the last two decades the glorification of sewing whether involving needlework tailoring or fashion design has thrived in Latin American and Iberian cultural works particularly literature In the last two decades the glorification of sewing whether involving needlework tailoring or fashion design has thrived in Latin American and Iberian cultural works particularly literature While fast fashion has relegated the handicraft to maquiladoras in the Global South Spanish and Latin American authors have created protagonists whose skill with needle and thread allows them to break out of culturally confining roles and spaces In this fictional realm seamstresses and tailors enter exciting adventures as spies peacemakers or explorers all facilitated by their artistry and expertise This book examines the depiction of women and the textile arts in contemporary Hispanic and Brazilian literature Employing space and gender theories the book explores how sewing traditionally viewed as respectable only if practiced at home gives agency and encourages self reflection and mobility allowing protagonists to transgress physical and socially prescribed limits Texts analyzed include Mar a Due as s El tiempo entre costuras 2009 C sar Aira s La costurera y el viento 1994 Pedro Lemebel s Tengo miedo torero 2001 Francesc Ponte de Peebles s The Seamstress 2009 and children's literature Encouraging readers to look behind garments to the agents of production the book shows how contemporary authors through their celebrations of an age old skill help to renew interest in sewing tailoring upcycling and embroidery

**Radical Friend** Nancy A. Hewitt, 2018-03-19 A pillar of radical activism in nineteenth century America Amy Kirby Post 1802-89 participated in a wide range of movements and labored tirelessly to orchestrate ties between issues causes and activists A conductor on the Underground Railroad co organizer of the 1848 Rochester Woman's Rights Convention and a key figure in progressive Quaker antislavery feminist and spiritualist communities Post sustained movements locally regionally and nationally over many decades But more than simply telling the story of her role as a local leader or a bridge between local and national arenas of activism Nancy A Hewitt argues that Post's radical vision offers a critical perspective on current conceptualizations of social activism in the nineteenth century While some individual radicals in this period have received contemporary attention most notably William Lloyd Garrison Frederick Douglass and Lucretia Mott all of whom were friends of Post the existence of an extensive network of radical activists bound together across eight decades by ties of family friendship and

faith has been largely ignored In this in depth biography of Post Hewitt demonstrates a vibrant radical tradition of social justice that sought to transform the nation

**Traumatic States** Nia Parson,2013-04-26 The end of the Pinochet regime in Chile saw the emergence of an organized feminist movement that influenced legal and social responses to gender based violence and with it new laws and avenues for reporting violence that never before existed What emerged were grassroots women s rights organizations challenging and engaging the government and NGOs to confront long ignored problems in responding to marginalized victims In Traumatic States anthropologist Nia Parson explores the development of methods of care and recovery from domestic violence She interviews and contextualizes the lives of numerous individuals who have confronted these acts as victims authorities and activists Ultimately Traumatic States argues that facing the challenges of healing both body and mind and addressing the fundamental inequalities that make those challenges even more formidable are part of the same battle

**Women and Citizenship** St. Louis Marilyn Friedman Professor of Philosophy Washington University,2005-09-16 The notion of citizenship is complex it can be at once an identity a set of rights privileges and responsibilities an elevated and exclusionary status a relationship between individual and state and more In recent decades citizenship has attracted interdisciplinary attention particularly with the transnational growth of Western capitalism Yet citizenship s relationship to gender has gone relatively unexplored despite the globally pervasive denial of citizenship to women historically and in many places ongoing today This highly interdisciplinary volume explores the political and cultural dimensions of citizenship and their relevance to women and gender Containing essays by a well known group of scholars including Iris Marion Young Alison Jaggar Martha Nussbaum and Sandra Bartky this book examines the conceptual issues and strategies at play in the feminist quest to give women full citizenship status The contributors take a fresh look at the issues going beyond conventional critiques and examine problems in the political and social arrangements practices and conditions that diminish women s citizenship in various parts of the world

**Resisting Citizenship** Martha A. Ackelsberg,2013-01-11 Political participation in America supposedly the world s strongest democracy is startlingly low and many of the civil rights and economic equity initiatives that were instituted in the 1960s and 70s have been abandoned as significant proportions of the populace seem to believe that the civil rights battle has been won However rates of collective engagement like community activism are surprisingly high In Resisting Citizenship renowned feminist political scientist Martha Ackelsberg argues that community activism may hold important clues to reviving democracy in this time of growing bureaucratization and inequality This book brings together many of Ackelsberg s writings over the past 25 years combining her own field work and interviews with cutting edge research and theory on democracy and activism She explores these efforts in order to draw lessons and attempt to incorporate knowledge about current notions of democracy from those who engage in non traditional participation those who have in many respects been relegated to the margins of political life in the United States
