

Taking Time

Joan B. Hartman

Taking Time:

Taking Time Mindy Fried, 1998 There is a growing movement among corporations to provide family benefits in order to attract and retain women workers They recognize that these benefits have become a cost of doing business Many of these benefits like child care and elder care are aimed at supporting employees ability to stay on the job Parental leave policies are an exception because they involve taking time away from the job This timely book provides an inside look at life in a major U S corporation focusing on the impact of workplace culture on the use of parental leave and those who use it Fried begins by describing why parental leave is critical to making parenting the job of both parents in two parent families She examines the varied experiences of different levels of workers in how parental leave policy is used The author tells a rich and textured tale of day to day life in the skyscraper offices of a large corporation How people dress what their offices look like which cafeteria they eat in how the supervisors and supervised talk all these things are part of the fabric of corporate culture that Fried describes Most of us live in work cultures that value overtime Fried argues that as a time policy parental leave clashes with the powerful norm that corporate employees must work long and hard Taking time for parenting a job that is devalued in our culture may be perceived as taking time away from the company and in particular from the company s productivity

Taking Time National Cancer Institute (U.S.), 2018-12-10 *Taking Time* is a booklet for people newly diagnosed with cancer This booklet covers the different feelings you may have and how to cope with and talk about them ways to talk with family members and friends talking to your health care team getting help and support from others coping with a new self image and body changes and managing your day to day life with cancer **Taking Time** , 2001 **Taking Time** Joan B. Hartman, 1980

Taking Time Off, 2nd Edition Colin Hall, Ron Lieber, 2016-08-30 Have you ever thought about taking time off to ride your bike across the United States conduct research in the Amazonian rain forest work on a presidential campaign build houses for the poor Tens of thousands of students each year take a break before or even during college to work travel volunteer or do something just plain different No matter what you may plan to do with your time away *Taking Time Off* shows you how to make the most of it Included are the inspiring stories of 26 students whose pursuits in their time away from school were fulfilling and enjoyable You ll find practical advice on every aspect of planning a break from researching your options and financing your leave to convincing your parents it s a worthy idea This book s resources section also lists programs jobs and American and international organizations that can help you to plan your own time off

Getting Paid While Taking Time Megan Sholar, 2016-09-28 The United States remains the only industrialized nation in the world that does not provide paid family leave at the national level for either men or women In the more than two decades since the passage of the Family and Medical Leave Act there have been numerous unsuccessful attempts to expand family leave benefits nationally However in the United States it is common for innovations in family policies to arise at the state level In her timely book *Getting Paid While Taking Time* Megan Sholar explains the development of family leave policies at

both the national and state levels in the United States She provides cogent studies of states that have passed and proposed family leave legislation and she pays special attention to the ways in which women s movement actors and other activists e g labor unions exert pressure on public officials to help influence the policymaking process In her conclusion Sholar considers the future of paid family leave policies in the United States and the chances for it ever equaling the benefits in other countries

Taking Time for Teamwork Robyn Kademian, Shawdi Nesbit, 2011-09-01 Taking Time for Teamwork provides teachers with a resource that is filled with a variety of hands on activities to get students to think critically and to work together The book focuses on group problem solving activities which engage students through creative challenges These activities promote team building communication and higher level thinking skills and can be enjoyed by students of various ages and in many different curricular areas Challenges include creating Hanging Contraptions and Items to Span a Distance building Towers Vehicles and Slides working with Projectiles and Pulling Items protecting Falling Objects Sports Themed activities and other teamwork ideas
