Andrew Soltis, 2022-02-24 A crucial decision spared chess Grandmaster David Bronstein almost certain death at the hands of the Nazis one fateful move cost him the world championship Russian champion Mark Taimanov was a touted as a hero of the Soviet state until his loss to Bobby Fischer all but ruined his life Yefim Geller s dream of becoming world champion was crushed by a bad move against Fischer his hated rival Yuri Averbakh had no explanation how he became the world s oldest grandmaster other than the quixotic nature of fate Vasily Smyslov the only one of the five to become world champion would reign for just one year fortune he said gave him pneumonia at the worst possible time This book explores how fate played a capricious role in the lives of five of the greatest players in chess history *Endgame* Frank Brady, 2012-01-17 NEW YORK TIMES BESTSELLER Who was Bobby Fischer In this nuanced perspective of the chess genius Los Angeles Times an acclaimed biographer chronicles his meteoric rise and confounding fall with an afterword containing newly discovered details about Fischer s life Possessing an IQ of 181 and remarkable powers of concentration Bobby Fischer memorized hundreds of chess books in several languages and he was only thirteen when he became the youngest chess master in U S history But his strange behavior started early In 1972 at the historic Cold War showdown in Reykjavik Iceland where he faced Soviet champion Boris Spassky Fischer made headlines with hundreds of petty demands that nearly ended the competition It was merely a prelude to what was to come Arriving back in the United States to a hero s welcome Bobby was mobbed wherever he went a figure as exotic and improbable as any American pop culture had yet produced Commercial sponsorship offers poured in ultimately topping 10 million but Bobby demurred Instead he began tithing his limited money to an apocalyptic religion and devouring anti Semitic literature Bobby reemerged in 1992 to play Spassky in a multi million dollar rematch but

when the dust settled he was a wanted man transformed into an international fugitive because of his decision to play in Montenegro despite U S sanctions Fearing for his life traveling with bodyguards Bobby lived the life of a celebrity fugitive one drawn increasingly to the bizarre Drawing from Fischer family archives recently released FBI files and Bobby s own emails Endgame is unique in that it limns Bobby Fischer s entire life an odyssey that took the chess champion from an impoverished childhood to the covers of Time Life and Newsweek to recognition as the most famous man in the world to notorious recluse
