Tale That Wags The God:

The Tail That Wags The Dog Max J Myers,2012-03-06 If you have been leading God's people for any length of time you know how difficult sometimes even impossible it can be Why is Christian leadership so hard to get right Could it be that the church which was meant to reflect the heart of God has instead taken the role of leader Could we simply be making things harder than they need to be In The Tail That Wags the Dog veteran pastor Max Myers takes those questions straight to the Bible to demonstrate where and why traditional leadership models fall short In the process he discovers another way to do ministry God's way

Tales That Wag Maryanne Burke Battistini,2012-08 The Mission of the Organization is to provide the community with an animal assisted program that will help to promote health and well being through positive interactions with animals The stories in TALES THAT WAG are the stories of our pets who have become therapy dogs through the training efforts and generous sharing of time and talents of their community volunteer owners They all care deeply about the children they strive to help

Religion in Science Fiction Steven Hrotic,2014-07-31 Religion in Science Fiction investigates the history of the representations of religion in science fiction literature Space travel futuristic societies and non human cultures are traditional themes in science fiction Speculating on the societal impacts of as yet undiscovered technologies is after all one of the distinguishing characteristics of science fiction literature A more surprising theme may be a parallel exploration of religion its institutional nature social functions and the tensions between religious and scientific worldviews Steven Hrotic investigates the representations of religion in 19th century proto science fiction and genre science fiction from the 1920s through the end of the century Taken together he argues that these stories tell an overarching story a metanarrative of an evolving respect for religion paralleling a decline in the belief that science will lead us to an ideal and religion free future Science fiction's metanarrative represents more than simply a shift in popular perceptions of religion it also serves as a model for cognitive anthropology providing new insights into how groups and identities form in a globalized world and into how crucial a role narratives may play Ironically this same perspective suggests that science fiction as it was in the 20th century may no longer exist

Imprisoned in a Tesseract David Ketterer, 1987 Om den amerikanske science fiction forfatter *Fables from India A Collection of Short Stories* Uday Mane, 10-06-16 If you believe that variety is the spice of life then Long Island Ice Tea should be your favourite poison The book is abstract and doesn t fall into one genre In the age of surfing reading a book is nothing less than testing patience And it s a herculean task These stories were written in various seasons over many months The mood of the book swings from sober to slut From dark to darker From love to lust This is a collage of emotions Just how we all have phases in life It s an ordinary piece of work and that s what makes it extraordinary In a bar if you are the one who craves the most for cocktail then this is the one Go party with the words *The Complete Works of George MacDonald:*

Novels, Short Stories, Poetry, Theological Writings & Essays (Illustrated) George MacDonald, 2024-01-09 The Complete Works of George MacDonald Novels Short Stories Poetry Theological Writings Essays Illustrated is an extensive compilation that showcases the remarkable range of MacDonald's literary output. Renowned for his pioneering contributions to fantasy literature, the collection encapsulates his distinctive style: a blend of ornate prose, vivid imagery, and philosophical depth. MacDonald intricately intertwines themes of divine love, spiritual growth, and moral complexity across his narratives, providing a rich tapestry that not only entertains but also engages the reader's intellect and soul. The enhanced experience of this illustrated edition serves to further illuminate MacDonald's imaginative world, drawing readers even deeper into his profound insights and enchanting realms. George MacDonald (1824-1905), a Scottish author, poet, and theologian, is considered a precursor to modern fantasy writers such as C. S. Lewis and J. R. R. Tolkien. His writings reflect his deep Christian faith and visionary outlook on life, influenced by personal experiences including his struggles with health and the tragic loss of loved ones. MacDonald was not only a creator of fictional universes but also an earnest contemplator of faith, love, and the human condition, which resonate powerfully in this comprehensive collection. For readers seeking to explore the depth of compassion and imagination woven through MacDonald's work, this collection is an essential addition to any literary library. It serves as both a nostalgic homage to classical literature and a profound exploration of faith and morality, appealing to both casual readers and scholars alike. Dive into the timeless narratives and reflective essays that continue to inspire and challenge, making this a must-read for those who appreciate the convergence of art and theology. In this enriched edition, we have carefully created added value for your reading experience. A comprehensive Introduction outlines these selected works, unifying features, themes, or stylistic evolutions. A Historical Context section situates the works in their broader era, social currents, cultural trends, and key events that underpin their creation. A concise Synopsis Selection offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different works' strengths. Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

Lectionary Tales for the Pulpit Gregory L. Tolle, 2004 Jesus considered stories to be an essential teaching tool; his preaching was filled with stories, and he used parables because he knew that people could relate to them. So if you're looking for a well-told, imaginative, and inspirational story that will take you right to the heart of the scriptures, the newest edition of CSS's popular *Lectionary Tales for the Pulpit* series is just the resource you need. Gregory Tolle draws on his gift of storytelling to illustrate Cycle A lectionary texts with thought-provoking modern parables. This book is not only great for memorable preaching illustrations and sermon starters; it's also a wonderful source for uplifting devotional reading. Greg Tolle offers

contemporary and insightful illustrations as fresh as the morning's newspaper to bring the biblical message to life Used to supplement lectionary sermons or to spark spiritual and homiletic creativity Lectionary Tales for the Pulpit will enhance every minister's library I highly recommend this book to anyone who endeavors to preach relevant sermons that people will remember for a long time to come William G Grice III Pastor First Congregational Church UCC Des Plaines Illinois These stories remind us that God's grace is always in our midst working through both the common and everyday and through the profound and extraordinary encounters of our lives The gospel is a profoundly personal encounter with God's grace and the gospel shines through in these pages Rev Tolle's reflections are a testimony to the love of Christ in our midst even in those experiences when we might least expect to find it Mark Y A Davies Dean Wimberly School of Religion and Graduate Theological Center Oklahoma City University Grounded in real human experience Lectionary Tales for the Pulpit is insightful reading that helps bring the biblical witness to light week after week It's a wonderful devotional guide for thoughtful Christians of any persuasion even the occasional preacher who happens to be in a homiletic drought William E LaBarr Senior Pastor Lake Cities United Methodist Church Lake Dallas Texas Gregory L Tolle is the senior minister at First United Methodist Church in Heavener Oklahoma A graduate of Oklahoma City University B A in Religion and Texas Christian University M Div Tolle has had numerous articles published in Group magazine He also serves as the Youth Coordinator for the Oklahoma Conference of the United Methodist Church

Faith and Fatherland Brian Porter-Szucs, 2011-06-03 Jesus instructed his followers to love your enemies do good to those who hate you bless those who curse you pray for those who mistreat you Luke 6:27-28 Not only has this theme long been among the Church's most oft repeated messages but in everything from sermons to articles in the Catholic press it has been consistently emphasized that the commandment extends to all humanity Yet on numerous occasions in the twentieth century Catholics have established alliances with nationalist groups promoting ethnic exclusivity anti-Semitism and the use of any means necessary in an imagined struggle for survival While some might describe this as mere hypocrisy Faith and Fatherland analyzes how Catholicism and nationalism have been blended together in Poland from Nazi occupation and Communist rule to the election of Pope John Paul II and beyond It is usually taken for granted that Poland is a Catholic nation but in fact the country's apparent homogeneity is a relatively recent development supported as much by ideology as demography To fully contextualize the fusion between faith and fatherland Brian Porter's concepts like sin the Church the nation and the Virgin Mary ultimately showing how these ideas were assembled to create a powerful but hotly contested form of religious nationalism By no means was this outcome inevitable and it certainly did not constitute the only way of being Catholic in modern Poland Nonetheless the Church's ongoing struggle to find a place within an increasingly secular European modernity made this ideological formation possible and gave many Poles a vocabulary for social criticism that helped make sense of grievances and injustices

Get Goodness Mike Hickey,2011-06-16 From the preface This book looks at virtue as the power to do good from the theological philosophical and poetic perspective From a theological perspective Long ago Anselm defined theology as faith seeking understanding f 1 a definition which has endured to the present day It would be difficult if not impossible for anyone to try to understand virtue or goodness without looking through some lens of faith *Get Goodness* was written in part because my own faith was seeking understanding Second this book will look at virtue and goodness from a philosophical perspective because the word philosophy from the Greek philos sophia means love of wisdom f 2 As we will find in this book the virtue of love has been understood by most theologians and philosophers before me to be the essence of each and every virtue Therefore we must first love wisdom before we are able to practically discern distinguish deliberate and decide prudently in any effort to understand how virtue is the power to do good Third this book will be suffused with poetry because poetry is a language that goes beyond logic thought and reason It is a language of the spirit and a language of human life love observation and experience Any poem is an attempt to try to understand the experience of the world and the universe around us in spiritual terms None of us should be seeking virtuous perfection in orienting ourselves to the good in this life we should only be seeking change The journey is the goal **Tales of the Four Darweshes** Duncan Forbes,2023-05-18 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Tales of the Four Darweshes Mīr Amman Dihlavī,1857 *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Hary-Cowden Clarke,1845 The Garden of Truth Seyyed Hossein Nasr,2009-10-13 The headlines are filled with the politics of Islam but there is another side to the world s fastest growing religion Sufism is the poetry and mysticism of Islam This mystical movement from the early ninth century rejects worship motivated by the desire for heavenly reward or the fear of punishment insisting rather on the love of God as the only valid form of adoration Sufism has made significant contributions to Islamic civilization in music and philosophy dance and literature The Sufi poet Rumi is the bestselling poet in America But in recent centuries Sufism has been a target for some extremist Islamic movements as well as many modernists The Garden of Truth presents the beliefs and vision of the mystical heart of Islam along with a history of Sufi saints and schools of thought In a world threatened by religious wars depleting natural resources a crumbling ecosystem and alienation and isolation what has happened to our humanity Who are we and what are we doing here The Sufi path offers a journey toward truth to a knowledge that transcends our mundane concerns selfish desires and fears In Sufism we find a wisdom that brings peace and a relationship with God that nurtures the best in us and in others Noted scholar Seyyed Hossein Nasr helps you learn the secret wisdom tradition of Islam and enter what the ancient mystics call the garden of truth Here liberate your mind experience peace
