Tale Of Two Princes:

A Tale of Two Princes Eric Geron, 2023-01-10 The perfect dream come true fairytale Jason June New York Times bestselling author of Jay's Gay Agenda and Out of the Blue Effortlessly charming funny swoon worthy and sincerely moving Julian Winters award winning author of Running With Lions 1 New York Times bestselling author Eric Geron delivers whirlwind wish fulfillment in this story of a closeted crown prince and an out and proud cowboy who discover they were separated at birth Edward Dinnissen leads a charmed life He's the Crown Prince of Canada gets the royal treatment at his exclusive private school and resides in a ritzy mansion He thrives off being the perfect prince as he prepares for the Investiture Ceremony on his eighteenth birthday the final step in his role as heir and Canada's future king But this closeted Crown Prince has just one tiny problem he's unsure how to tell his parents his beloved country and his adoring fans that he's gay Billy Boone should be happy with the simple life His family's ranch is his favorite place in the world he loves his small town and his boyfriend is the cutest guy at Little Timber High So why does it feel like something's still missing Maybe it has to do with the fact that this out and proud cowboy feels destined for something more When Edward and Billy meet by chance in New York City they discover that they are long lost twins and their lives are forever changed Together will these twin princes twinces be able to take on high school coming out and coronations Or will this royal reunion quickly become a royal train wreck The enchanting cast of characters hooks you into a regal setting full of drama romance and intrigue with relatable underlying journeys of self love and struggle Brian Zepka author of The Temperature of Me and You *A Tale of Two Princes* Eckart Zur Nieden, 1993 Far away there is a beautiful island that belongs to a great and generous king The king is good to his people and they love him very much But when an evil prince tricks the people into turning against their ruler who will be able to save them **A Tale of Two Princes** Bina Saksena, 1988 The Tale of Two Princes Joshua Desjardins, 2023-10-26 The Tale of Two Princes follows the story of the Pretty Prince and Beautiful Prince who grow to love one another after growing up together But the Pretty Princess becomes jealous of the two princes so the Pretty Prince and Beautiful Prince are banished from their kingdoms They travel the land far and wide until they discover a castle full of princes just like them and it is here that they find their happy ending That is until the Pretty Princess and Beautiful King and Queen miss the two princes so they set out to find them When they do the princes welcome their families back into their lives regardless of their families intolerance Now is when ALL the characters of this beautiful story truly enjoy a happy ending when all are tolerated in the kingdom Donald Trump's New World Order T. Hamid Al-Bayati, 2020-10-06 Donald Trump's New World Order addresses U.S. foreign policy initiatives during Mr. Trump's Presidency appeasing traditional enemies such as Russia and undermining allies such as NATO and the European Union In the book Ambassador T. Hamid Al-Bayati outlines region by region policy by policy the administration's misguided and sometimes corrupt initiatives and decisions which could potentially lead to regional conflict and global war Highlighted within the text are the administration's relationships and

interactions with Russia China North Korea and the Middle East as well as within the United States The author s critical review of Trump s foreign policy includes the impact of trade wars military escalation and changing global relationships Ambassador Al Bayati paints a stark picture of the present standing of the U S and a dark future that looms on the horizon Many experts agree that Trump s foreign policy lacks coordination consistency and organization Trump often contradicts himself and his supporting staff Concerned Americans and U S allies struggle to find coherence in the Trump administration s foreign policy It zigs and zags with senior administration officials saying one thing and President Trump contradicting them without warning the next day It punishes U S allies and coddles U S adversaries it privileges demagoguery over democracy Mr Trump s approach appears impulsive improvisational and inchoate devoid of clear purpose values or even ideology Ambassador Al Bayati leaves nothing unexplored as he strives to organize and explain the current and future implications of Mr Trump s presidency and policy

A Tale of Two Princes Victoria Pearson,2014-01-01 Sleeping Beauty meets The Frog Prince in this short but perfectly formed modern fairytale re telling Doctor Prinze is happy in his secretive job at a very unusual hospital He takes pride in asking unfussed questions however strange the patient seems when they get wheeled through his door and he is content going home to his gadgets and uncomplicated quiet His simple life is turned upside down when Dr Prinze is asked to make room on his ward for some potentially contagious visitors and everything changes forever

The Two Princes of Mpfumo Lindsay O'Neill,2025-02-13 A fascinating account of two eighteenth century princes from East Africa their travels and their encounters with the British Empire and slavery In 1716 two princes from Mpfumo what is today Maputo the capital of Mozambique boarded a ship licensed by the East India Company bound for England Instead their perfidious captain sold them into slavery in Jamaica After two years of pleading their case the princes known in the historical record as Prince James and Prince John convinced a lawyer to purchase them free them and travel with them to London The lawyer perished when a hurricane wrecked their ship but the princes survived and arrived in England in 1720 Even though the East India Company had initially thought that the princes might assist in their aspirations to develop a trade for gold in East Africa and for enslaved labor in Madagascar its interest waned The princes would need to look elsewhere to return home It was at this point that members of the Royal African Company and the Society for Promoting Christian Knowledge took up their cause in the hope that profit and perhaps Christian souls would follow John would make it home but tragically James would end his own life just before the ship sailed for Africa In *The Two Princes of Mpfumo* Lindsay O'Neill brings to life individuals caught up in the eighteenth century slave trade O'Neill also shows how the princes experiences reflect the fragmented chaotic and often deadly realities of the early British empire A fascinating and deeply researched historical narrative *The Two Princes of Mpfumo* blurs the boundaries between the Atlantic and Indian ocean worlds reveals the intertwined networks powerful individuals and unstable knowledge that guided British attempts at imperial expansion and illuminates the power of African polities which decided who lived and who died on their coasts

The Politics of

Dreaming in the Carolingian Empire Paul Edward Dutton,1994-01-01 Between the reigns of Charlemagne and Charles the Fat Europe underwent a series of alarming and unsettling changes Civil war broke out royal authority was divided and the brightest of men and women began to entertain nightmarish thoughts of the corruption and collapse of their world Amidst the ruin of their shaken and shattered assumptions Carolingian intellectuals wrote down a series of dream texts The Carolingian oneiric record though dark with confusion and immoderate emotion supplies us with a more subjective reading of this formative period of European history than the one found in standard histories Carolingian dream authors criticized and complained because they hoped to reform a royal society that had lost its way This study begins by surveying the sleep of kings and the status of royal dreams from the classical period to the ninth century Then it runs to an examination of individual dreams and the political disruption that informs them The reader will encounter a variety of surprising dreams of Charlemagne s lust demons and archangels a sorrowful prophet disputed property and bullying saints magical swords and mad princes and Charles the Fat s journey through an awesome otherworld towards an uncertain constitutional future

The Two Princes of Calabar Randy J. Sparks,2009-02-28 In 1767 two princes of a ruling family in Old Calabar on the slave coast of Africa were captured by English slavers The princes were themselves slavers betrayed by African competitors and so began their own odyssey of enslavement Their story written in their own hand survives as a rare firsthand account of the Atlantic slave experience *Louisa May Alcott's Fairy Tales and Fantasy Stories* Louisa May Alcott,1992 While these stories can make no claim to being great art they are an important segment of Alcott s canon They demonstrate that while she was exploring new territory with some of her work she was also working within the existing tradition of the didactic fairy tale

The Weaver's Lost Art Charles Hill,2014-07-01 Looking beneath the surface of strategy policy and daily operations this book uses the analogy of weaving to review the United States historical responsibility for maintaining international peace and security Author Charles Hill shows why the United States must marshal all possible elements in the Middle East and supporters from without to defeat the enemies of order in the region and why the U S must weave an actively engaged omnidirectional involvement to support and interact with whatever faction regime sect leader or state that seeks to gain legitimacy as a good citizen in the established international system **The Two Princes of Persia** Jane Porter,1801

Bookseller and the Stationery Trades' Journal ,1909 *Sovereignty, Power, Control* John Edmond McLeod,2023-07-31 Between 1916 and 1947 power structures in present day Gujarat were determined by three political factors the princes of these states of Western India the nationalist politicians and the British paramount power This book pictures the patterns of interaction between the three agents The author first defines the interests of the three parties In several case studies it becomes clear how their relationship was shaped by the typical pursuit of sovereignty by the rulers power by the politicians and control by the British Essential topics such as the princes right to collect duty on imported goods the debate over the tiny

states in the Gujarat the British policy towards youthful princes and the honours system are carefully explored This thorough study offers the opportunity to gain a clear understanding of the mechanics of political interaction in princely India This is the first major scholarly contribution to an until now largely ignored field of interest *The Bookseller* ,1909 **Catalogue of All Books in the Circulating and Reference Departments of the Public School Library, Columbus ...** Columbus (Ohio). Public School Library,1897 **The Publishers' Circular and Booksellers' Record** ,1909 **The Routledge Handbook of the Mongols and Central-Eastern Europe** Alexander V. Maiorov,Roman Hautala,2021-08-25 The Routledge Handbook of the Mongols and Central Eastern Europe offers a comprehensive overview of the Mongols military political socio economic and cultural relations with Central and Eastern European nations between the thirteenth and fifteenth centuries The Mongol Empire was the largest contiguous land empire in history and one which contributed to the establishment of political commercial and cultural contacts between all Eurasian regions The Golden Horde founded in Eastern Europe by Chinggis Khan s grandson Batu in the thirteenth century was the dominant power in the region For two hundred years all of the countries and peoples of Central and Eastern Europe had to reckon with a powerful centralized state with enormous military potential Some chose to submit to the Mongols whilst others defended their independence but none could avoid the influence of this powerful empire In this book twenty five chapters examine this crucial period in Central Eastern European history including trade confrontation and cultural and religious exchange between the Mongols and their neighbours This book will be an essential reference for scholars and students of the Mongols as well those interested in the political social and economic history of medieval Central Eastern Europe
