Russ's essays are witty and insightful. An excellent book for any writer or reader. Feminist Bookstore News. In her new book of essays Russ continues to debunk and demand edify and entertain. Appreciative of surface aesthetics she continually delves deeper than most critics yet in terms so simple and accessible that her essays read like lively angry humorous dialogues conducted face to face with the author. Russ is the antithesis of the distant critic in her ivory tower. Paul Di Filippo The Washington Post Book World 20 years of the author's feisty reports from the front lines of literature. The San Francisco Review of Books. This is a book of imaginative and provoking essays but you should read it for the sheer fun of it. The Women's Review of Books.
