

## BULLY against the bull: males

**MAN TO MEN** was designed expressly for the reader to whom word and brush have never communicated more than a conversation of silence. If you like your reading material without words, for example, George Washington of the Legionnaire who walked his own naked girls out from under his own, you'll get accepted downy grins out of Lew Hoad's vivid accounts of Marie of Romania and her romances with his wife's father, and you'll read through Russell Hastings' story of Cate's gentle exploitation, for just the reason a woman

It isn't too necessary to "illustrate" some of our views, as many are already intuitively prominent figures. We know you'll enjoy answering questions both Robert Kennedy, also former "How to" man of the month, who please, before bedtime, on the page.
