## **Tales From The Big Thicket:**

**Tales From The Big Thicket** Francis Edwards Abernathy,1972      **Tales from the Big Thicket** Francis Edward Abernethy,2002 Abernethy presents the history and folklore of the Big Thicket and its people including a collection of Alabama Coushatta tales a search for hidden Jayhawkers during the Civil War a nineteenth century travel account and a family history of the legendary Hooks      *Tales from the Big Thicket* Francis Edward Abernethy (ed),1966      **Big Thicket Legacy** Campbell Loughmiller,Lynn Loughmiller,2002 In *Big Thicket Legacy* Campbell and Lynn Loughmiller present the stories of people living in the Big Thicket of southeast Texas Many of the storytellers were close to one hundred years old when interviewed with some being the great grandchildren of the first settlers Here are tales about robbing a bee tree hunting wild boar plowing all day and dancing all night wading five miles to church through a cypress brake and making soap using hickory ashes      *Hearings, Reports and Prints of the House Committee on Interior and Insular Affairs* United States. Congress. House. Committee on Interior and Insular Affairs,1973      **Historic Texas from the Air** David Buisseret,Richard Francaviglia,Gerald Saxon,Jack W. Graves, Jr.,2009-06-01 The extremely varied geography of Texas ranging from lush piney woods to arid mountainous deserts has played a major role in the settlement and development of the state To gain full perspective on the influence of the land on the people of Texas you really have to take to the air and the authors of *Historic Texas from the Air* have done just that In this beautiful book dramatic aerial photography provides a complete panorama of seventy three historic sites from around the state showing them in extensive geographic context and revealing details unavailable to a ground based observer Each site in *Historic Texas from the Air* appears in a full page color photograph accompanied by a concise description of the site s history and importance Contemporary and historical photographs vintage postcard images and maps offer further visual information about the sites The book opens with images of significant natural landforms such as the Chisos Mountains and the Big Thicket then shows the development of Texas history through Indian spiritual sites including Caddo Mounds and Enchanted Rock relics from the French and Spanish occupation such as the wreck of the Belle and the Alamo Anglo forts and methods of communication including Fort Davis and Salado s Stagecoach Inn nineteenth century settlements and industries such as Granbury s courthouse square and Kreische Brewery in La Grange and significant twentieth century locales including Spindletop the LBJ Ranch and the Dallas Fort Worth International Airport For anyone seeking a visual vital overview of Texas history *Historic Texas from the Air* is the perfect place to begin      *Lone Star Unionism, Dissent, and Resistance* Jesús F. de la Teja,2016-03-09 Most histories of Civil War Texas some starring the fabled Hood s Brigade Terry s Texas Rangers or one or another military figure depict the Lone Star State as having joined the Confederacy as a matter of course and as having later emerged from the war relatively unscathed Yet as the contributors to this volume amply demonstrate the often neglected stories of Texas Unionists and dissenters paint a far more complicated picture Ranging in time from the late 1850s to the end of Reconstruction *Lone Star Unionism Dissent and Resistance* restores

a missing layer of complexity to the history of Civil War Texas The authors all noted scholars of Texas and Civil War history show that slaves freedmen and freedwomen Tejanos German immigrants and white women all took part in the struggle even though some never found themselves on a battlefield Their stories depict the Civil War as a conflict not only between North and South but also between neighbors friends and family members By framing their stories in the analytical context of the long Civil War Lone Star Unionism Dissent and Resistance reveals how friends and neighbors became enemies and how the resulting violence often at the hands of secessionists crossed racial and ethnic lines The chapters also show how ex Confederates and their descendants as well as former slaves sought to give historical meaning to their experiences and find their place as citizens of the newly re formed nation Concluding with an account of the origins of Juneteenth the nationally celebrated holiday marking June 19 1865 when emancipation was announced in Texas Lone Star Unionism Dissent and Resistance challenges the collective historical memory of Civil War Texas and its place in both the Confederacy and the United States It provides material for a fresh narrative one including people on the margins of history and dispelling the myth of a monolithically Confederate Texas

**Hearings** United States. Congress. House. Committee on Interior and Insular Affairs, **Texas Tales** Myra Hargrave McIlvain, 2017-04-17 These tales trace the Texas story from Cabeza de Vaca who trekked barefoot across the country recording the first accounts of Indian life to impresarios like Stephen F Austin and Don Mart n DeLe n who brought settlers into Mexican Texas There are visionaries like Padre Jos Nicol s Ball the Singer family and Sam Robertson who tried and failed to develop Padre Island into the wonderland that it is today There are legendary characters like Sally Skull who had five husbands and may have killed some of them and Josiah Wilbarger who was scalped and lived another ten years to tell about it Also included are the stories of Shanghai Pierce cattleman extraordinaire who had no qualms about rounding up other folks calves and Tol Barret who drilled Texas first oil well over thirty years before Spindletop changed the world The Sanctified Sisters got rich running a commune for women and millionaire oilman Edgar B Davis gave away his money as fast as he made it Sam Houston Jean Lafitte Antonio L pez de Santa Anna Lucy Kidd Key Minnie Fisher Cunningham all these characters and many more early day adventurers Civil War heroes and latter day artists and musicians created the patchwork called Texas

*Tales of Texas Cooking* Frances Brannen Vick, 2015-12-15 According to Renaissance woman and Pepper Lady Jean Andrews although food is eaten as a response to hunger it is much more than filling one s stomach It also provides emotional fulfillment This is borne out by the joy many of us feel as a family when we get in the kitchen and cook together and then share in our labors at the dinner table Food is comfort yet it is also political and contested because we often are what we eat meaning what is available and familiar and allowed Texas is fortunate in having a bountiful supply of ethnic groups influencing its foodways and Texas food is the perfect metaphor for the blending of diverse cultures and native resources Food is a symbol of our success and our communion and whenever possible Texans tend to do food in a big way This latest publication from the Texas Folklore Society contains stories and more than 120
