indeed forsake him desert him to go away to try the doubtful chances of a new order of things This question was supplemented by another on a different stratum of human selfishness Rudgis like all mountain men had a narrow eye to profit and loss The money represented by Grim as his slave possessed a powerful influence it was the larger part of his fortune Grim on his part watched his master as the tide of war flowed on through the mountain gaps far to the west of the Pocket his calculations were simpler and more directly personal than those of his master Of course things could not remain in this situation very long Grim was the first to speak straight to the subject Mars Rudgis said he one day yo be n siderin erbout sellin me This direct accusation took the master unawares Wha wha what s that air ye air er sayin ye ol whelp he spluttered almost dropping his pipe Yo be n er finkin at I s gittin close onter de freedom line an ye s pose yo d better git w at ye kin fo me yah yah yahee oorp and the black rascal broke forth with a mighty guffaw bending himself almost double and slapping his hands vigorously But yo s feared dey git ye an mek yo tote er gun an at yo d git de stuffin shot outen yo ef yo try take me
