## **Terror Television**

John Kenneth

Muir,2013-02-25 Although horror shows on television are popular in the 1990s thanks to the success of Chris Carter's The X-Files such has not always been the case. Creators Rod Serling, Dan Curtis, William Castle, Quinn Martin, John Newland, George Romero, Stephen King, David Lynch, Wes Craven, Sam Raimi, Aaron Spelling and others have toiled to bring the horror genre to American living rooms for years. This large scale reference book documents an entire genre from the dawn of modern horror television with the watershed Serling anthology Night Gallery 1970 a show lensed in color and featuring more graphic makeup and violence than ever before seen on the tube through more than 30 programs including those of the 1998 1999 season. Complete histories, critical reception, episode guides, cast crew and guest star information as well as series reviews are included along with footnotes, a lengthy bibliography and an in depth index. From Kolchak: The Night Stalker to Millennium from The Evil Touch to Buffy the Vampire Slayer and Twin Peaks: Terror Television is a detailed reference guide to three decades of frightening television programs both memorable and obscure. **The Frodo Franchise** Kristin

Thompson,2007-08-27 Once in a lifetime the phrase comes up over and over from the people who worked on Peter Jackson's The Lord of the Rings: The film's seventeen Oscars, record setting earnings, huge fan base and hundreds of ancillary products attest to its importance and to the fact that Rings is far more than a film. Its makers seized a crucial moment in Hollywood: the special effects digital revolution plus the rise of infotainment and the Internet to satisfy the trilogy's fans while fostering a huge new international audience. The resulting franchise of franchises has earned billions of dollars to date with no end in sight. Kristin Thompson interviewed seventy six people to examine the movie's scripting and design and the new technologies deployed to produce the films, video games and DVDs. She demonstrates the impact Rings had on the companies that made it on the fantasy genre on New Zealand and on independent cinema. In fast paced, compulsively readable prose she affirms Jackson's Rings as one the most important films ever made. **About Christmas** Nicolae Sfetcu,2014-05-01

Christmas characters and food Christmas linked holidays and music Santa Claus and traditions Related to Annunciation Incarnation Crucifixion Advent the four weeks preceding Christmas and the period between the day after Thanksgiving and the Sunday after New Year's Day the American holiday season Christmas or Christmas Day is a holiday celebrating the birth of Jesus the central figure of Christianity. Aspects of celebration may include gift giving Christmas trees display of Nativity sets church attendance the Father Christmas Santa Claus myth and family gatherings. Users of the Gregorian calendar observe the holiday on December 25. Some Eastern Orthodox Churches celebrate on December 25 by the Julian calendar which currently corresponds to January 7 on the Gregorian calendar. These dates are merely traditional: the great majority of scholars agree that the actual birthdate of Jesus is unknown. In Western culture the holiday is characterized by the exchange of gifts among friends and family members, some of the gifts being attributed to Santa Claus, also known as Father Christmas, Saint Nicholas, Saint Basil and Father Frost. However various local and regional Christmas traditions are still practiced despite the widespread influence of American, British and Australian Christmas motifs disseminated by film, popular literature, television.
