**Tales Never Told Around the Campfire** Mark Dugan,1992 Gathers stories about outlaws in Texas North Carolina New Mexico Oklahoma Arkansas Washington Illinois Colorado Missouri and Wyoming      **Tales Never Told Around the Campfire** Mark Dugan,1992 Gathers stories about outlaws in Texas North Carolina New Mexico Oklahoma Arkansas Washington Illinois Colorado Missouri and Wyoming      *Triggernometry* Eugene Cunningham,1996-01-01 Interviews and writing Cunningham examines the evidence and breaks down the myths surrounding the exploits of Wild Bill Hickok for example preferring instead to find the living breathing human behind the legend His final chapter Triggernometry remains a fascinating discussion of the gunfighters expertise with the fast draw the road agent s spin pistol fanning the border shift rolling and pinwheeling and the use of various holsters and harnesses      *American Mythmaker* Mark J. Dworkin,2015-02-27 Walter Noble Burns 1872 1932 served with the First Kentucky Infantry during the Spanish American War and covered General John J Pershing s pursuit of Pancho Villa in Mexico as a correspondent for the Chicago Tribune However history making these forays may seem they were only the beginning In the last six years of his life Burns wrote three books that propelled New Mexico outlaw Billy the Kid Tombstone marshal Wyatt Earp and California bandit Joaquin Murrieta into the realm of legend      **Deadly Dozen** Robert K. DeArment,2012-03-30 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren t glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who s Who of western outlaws and prove that there s more to the Wild West than Jesse James      *Wild Bill Hickok and Buffalo Bill Cody* Bill Markley,2022-08-15 Wild Bill Hickok and Buffalo Bill Cody were considered heroes and the greatest plainsmen of their time They were larger than life legendary characters They knew where to locate water good grass for livestock sheltered campsites and game for hunting They knew how to survive the blistering heat and terrific thunderstorms of summer and the subzero blizzards of winter They could avoid Indians or act as trackers following the trails of Indians as well as desperados They were expert marksmen and did not back down from a fight They rushed in where others held back Hickok a frontier wagon and stagecoach driver became a Union spy

during the Civil War furthering his reputation after the war as a frontier Army scout gunfighter and lawman Cody who claimed to ride for the Pony Express served in the Union Army and became legendary as an expert buffalo hunter and Army scout Hickok and Cody were good friends and experienced a series of adventures together Hickok traveled to Deadwood Dakota Territory during the 1876 Black Hills goldrush where he was assassinated by Jack McCall Cody continued scouting for the Army and after the Battle of the Little Big Horn won a one on one duel with a Cheyenne warrior Yellow Hair Cody went on to become one of the most well known showmen in the world with his Buffalo Bill's Wild West Wild Bill Hickok and Buffalo Bill Cody Plainsmen the fourth book in the Legendary West series explores the lives of these two well known characters

*Tom Horn in Life and Legend* Larry D. Ball, 2014-05-19 Some of the legendary gunmen of the Old West were lawmen but more like Billy the Kid and Jesse James were outlaws Tom Horn 1860-1903 was both Lawman soldier hired gunman detective outlaw and assassin this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty third birthday In this masterful historical biography Larry Ball a distinguished historian of western lawmen and outlaws presents the definitive account of Horn's career Horn became a civilian in the Apache wars when he was still in his early twenties He fought in the last major battle with the Apaches on U.S. soil and chased the Indians into Mexico with General George Crook He bragged about murdering renegades and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming Having worked as a hired gun and a range detective in the years after the Johnson County War he was eventually tried and hanged for killing a fourteen year old boy Horn's guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn's own autobiography As a teller of tall tales Horn burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn's reputation Ball's study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn

*Age of the Gunfighter* Joseph G. Rosa, 1995 Joseph G. Rosa's vivid and expertly written tale of this violent time combines contemporary accounts with meticulous historical research and an unjaundiced appraisal of the facts Telling the story of every major gunfighter peace officer and outlaw of the West Rosa places them within the context of a violent frontier and the coming of law and order Complementing the text are twenty seven outstanding color spreads featuring firearms from the Gene Autry Western Heritage Museum Los Angeles and the Buffalo Bill Historical Center Cody Many of the spreads contain guns owned and used by such well known individuals as Pat Garrett Billy the Kid Doc Holliday Wyatt Earp Wild Bill Hickok John Wesley Hardin Frank James and Harvey Logan
