Tales of a Country Judge Robert H. Gollmar,1979      Tales from Kentucky Lawyers William Lynwood Montell,2010-09-12

A woman was sitting on the witness stand and the lawyer asked her Did you or did you not on the night of June 23rd have sex with a hippie on the back of a motorcycle in a peach orchard She thought for a few minutes then said What was that date again from the book Lawyers have long been known as master storytellers and those from Kentucky are certainly no exception Veteran oral historian and folklorist Lynwood Montell has collected tales from dozens of lawyers and judges from throughout the Bluegrass State ranging from the story about the tough Jackson County judge who fined himself for being late to court to unwelcome dogs in the courtroom Recorded just as they have been told for generations these stories are sometimes funny sometimes sad or frightening sometimes raw and harrowing but always remarkable Far more than collection of lawyer jokes Tales from Kentucky Lawyers recounts the most insightful entertaining and occasionally heartbreaking stories ever told by and about Kentucky lawyers and their clients covering the spectrum from arson to homicide domestic disagreements to sexual abuse and everything in between Tales from Kentucky Lawyers is a valuable resource for folklorists as well as an entertaining and vivid account of the often surprising legal world      **Great American**

Townsend,2020-02-05 A collection of romantic stories taken place over time      **Tales from Tennessee Lawyers** William Montell,2005-10-07 Perhaps no one has keener insight into human nature than the small town trial lawyer All but lost in an era of corporate law firms and specialized practice this charismatic figure was once at the political center of a community and was the holder of its many secrets A small town attorney s only specialization was the town itself Serving as both defender and accuser these lawyers witnessed communities and individuals at their best and worst Men and women of the legal profession often exert influence in seemingly small realms but they play an important role in the lives of many people and help shape the American legal system Veteran oral historian and folklorist William Lynwood Montell has brought

together a fascinating collection of tales gathered from lawyers and judges throughout the Volunteer State Montell searched small towns and cities across Tennessee for the law's older and middle age practitioners and he shares the wealth of their experience in *Tales from Tennessee Lawyers* These stories are recorded exactly as told by the lawyers themselves and they reveal candid and unusual snapshots of the legal system both past and present With a tape recorder and an ear for detail Montell uncovers events and lives ranging from the commonplace to the extraordinary A man resorts to prostitution to alleviate the debt brought about by divorce proceedings Identical twins are tried for a string of murders A convict flees his trial by stealing the judge's car A prosecutor tries the nation's first school shooting case Judge George Balitsaris a former University of Tennessee football player escorts a special prosecutor out of a notorious rape trial as a precaution after the defendant's family issues threats These and similar stories illustrate the strange complex cases argued daily from Tennessee's largest cities to its smallest towns Far more than just a collection of lawyer jokes these recollections shed light on the tense and often dangerous lives of those who work to see that all receive fair representation and treatment in court *The*
