*Tales of the Intercoastal Waterway* John J. Koneazny,2005-04 I m not sure there are any other books like it The time between the time of the last crusade and the discovery of the New World is somewhat of a dead spot in history This story is set in that time period This story takes the reader back to 14th century England and sets him her down there during the time of the 100 Year War in a time of political turmoil and upheaval when little value was placed on human life A time of brother against brother father against son That time in history when chivalry was becoming a thing of the past When political intrigue and lawlessness assured that no man was safe not even the king **The Killings Inthe Keys** Colonel John J. Koneazny,2011-06-17 Frankly I dont know whether to call this manuscript fact or fiction I know that what I have been able to check is fact but this is mainly hearsay as told to me by the real Harley Grant I met Harley Grant of course I have changed his name in Public Market just as I have had Mike Bender meet him in the beer isle The second time I ran into him I invited him over to the Green Flash our houseboat tied in Losers Lagoon for a drink Dottie invited him for supper and after supper we sat around drinking Sam Adams Dottie finally went to bed and we were still batting our gums It was then that Harley told me this story that he swears is true It was two in the morning when he finished When he finished I shook my head in disbelief I told him that I was going to check on it He told me that I would find nothing Big oil had destroyed any trace that it had ever happened This I took with a grain of salt I told this tale to a friend a Lt Commander in the Coast Guard He said Let me check on it maybe I can find something in one of the old logs I had almost forgotten about it when he got back to me Jack there may be something to that story you told me I found this entry in the ships log of one of the decommissioned 84 foot cutters Be on the lookout for a 70 or 80 foot yacht with xs and zs in its name which was last seen in Key West This rekindled my interest and I went back to Harley and asked him to show me Hidden Cay He took me down to the gate but he said that Mike and Lois were on an extended stay in Goa Yes there were peafowl on the property But that is the only verification that I could find except I did locate Neal Forest and in a drunken stupor he admitted that he did row a couple of Chinks out to a big yacht In this book I of course invented much of the dialogue and changed all the names I tried to keep it as realistic as it was when Harley first told it by having Mike Bender tell the story Further research proved fruitless I was stonewalled everywhere I went I even had one threat not to write a book about it To hell with it I am going to write it and call it FICTION Little Rivers and Waterway Tales Bland Simpson,2015-07-29 Bland Simpson regales us with new tales of coastal North Carolina s water loving land revealing how its creeks streams and rivers shape the region s geography as well as its culture Drawing on

deep family ties and coastal travels Simpson and wife and collaborator Ann Cary Simpson tell the stories of those who have lived and worked in this country chronicling both a distinct environment and a way of life Whether rhapsodizing about learning to sail on the Pasquotank River or eating oysters on Ocracoke he introduces readers to the people and communities along the watery web of myriad little rivers that define North Carolina s sound country as it meets the Atlantic With nearly sixty of Ann Simpson s photographs Little Rivers joins the Simpsons two previous works Into the Sound Country and The Inner Islands in offering a rich narrative and visual document of eastern North Carolina s particular beauty Urging readers to take note of the poetry in every rivulet and rill every creek crick branch run stream prong fork river pocosin swamp basin estuary cove bay and sound the Simpsons show how the coastal plain s river systems are in many ways the region s heart and soul

describes the long and often painful path to her daughter's birth a path she says that was strewn with more obstacles than a mountain road after an avalanche A Tale of Two Continents describes the many hurdles that Arnelle overcame to be a mother A health scare added urgency to her wish and narrowed the timetable and a life threatening illness from twenty years earlier made pregnancy hazardous Defying the danger she decided to have a baby through in vitro fertilization What followed was a heroic painful and numbingly discouraging ordeal that involved a series of trips from her home in South Florida to her native Johannesburg South Africa to become impregnated Tragedy struck along the way but Arnelle finally prevailed she is now the mother of a bright little girl A story of perseverance A Tale of Two Continents shows the extraordinary efforts of one woman's quest to have a child *Cover Up: A Tale of Art, Intrigue, Murder, and High Society* Dagmar Lowe, 2007-02 There was

nothing particularly clever about solving the case Molly Miller says about her sleuthing of a murder two years ago on a Palm Beach golf course that bewildered even the FBI and won her local renown as a Floridian Miss Marple I knew the murderer and the victim better than the police and I had ample opportunity to watch what went on In fact that is the whole secret of detective work look and listen Intrepidly Molly looks and listens while patiently amassing clues and teaming up once again with FBI Special Agent Emilio Gonzalez follows the murderer's trail to a shady art auction house and the victim's Miami apartment But it's at the splashy opening of a new Manhattan gallery where Molly single handedly uncovers the heist's astonishing motive and identifies the thief a shocking revelation that had gone unsuspected by everyone else even though the ill fated schemer had been in plain sight all along What readers are saying about this book In this frothy tale of theft and murder Lowe sticks to the basics of the classic mystery with great success Molly and her nephew Scott make an elegant intelligent amateur detective team Library Journal Like a charming female Columbo Molly Miller gets the job done and ingeniously solves the case while making friends in the process I know because she certainly made one out of me in Cover Up Indeed I would welcome her as a house guest anytime Not only is Molly delightful company but undoubtedly a crime waits around the corner and soon she would be off on another crime detecting adventure for me to raptly follow River Jordan Author Don't tell anybody but life in Palm Beach is rarely as fun and exciting as Dagmar Lowe makes it in her new novel But I'll excuse her for having written such an entertaining book Larry Leamer Author Author Dagmar Lowe has done it again Her second book in the Molly Miller series perfectly captures the gloriously colorful side of Palm Beach providing a chic backdrop for this story of intrigue and suspense Lilly Pulitzer Fashion Designer and Author Dagmar Lowe's recipe for a satisfying mystery is to begin with a fascinating Palm Beach setting fold in a confounding art theft an elusive murder and cast of intriguing characters then add a generous pinch of high society glamour and have the zesty mix brought to a boil by Molly Miller And I can't help but notice that the matronly Molly's hair is always well coiffed Believe me that's not easy when you're sleuthing two crimes at the same time Kathy L Patrick Owner Beauty and the Book Jefferson Texas *The Legacy* Leigh Clarke, 2013-10-10 The Legacy is Clarke's collection of short stories and novellas from 2010 to 2013 This and That is a book of
