Tales of the Mohican Country Lee Cavin,1992      **Lynching and Mob Violence in Ohio, 1772-1938** David Meyers,Elise Meyers Walker,2018-11-20 In the late 19th century Ohio was reeling from a wave of lynchings and other acts of racially motivated mob violence Many of these acts were attributed to well known and respected men and women yet few of them were ever prosecuted some were even lauded for taking the law into their own hands In 1892 Ohio born Benjamin Harrison was the first U S President to call for anti lynching legislation Four years later his home state responded with the Smith Act for the Suppression of Mob Violence One of the most severe anti lynching laws in the country it was a major step forward though it did little to address the underlying causes of racial intolerance and distrust of law enforcement Chronicling hundreds of acts of mob violence in Ohio this book explores the acts themselves their motivations and the law s response to them      **Plain Tales of the North** Thierry Mallet,1925      The Deerslayer, a Tale Cooper,1841      *Forgotten Tales of Philadelphia* Thomas White,Edward White,2011-09-30 A twelve foot bull shark in the Delaware the 1856 tornado that tore through Kensington and the four elephant battle royal that rolled into Fair Hill Junction are among the bizarre tales that are too often overlooked in the history of Penn s Holy Experiment Authors Thomas and Edward White have intrepidly stormed the stacks to unearth this offbeat collection of strange stories and weird lore with accounts of body snatchers witch trials and a snake wielding lunatic From the outlawing of tambourine beating to the posse that caught a ghost and everything in between the Brothers White take a wickedly gleeful romp through the freak happenings dastardly deeds and unbelievable characters that lurk in the lost chronicles of the City of Brotherly Love      **The Deerslayer: a Tale** James Fenimore Cooper,1841      *Stories from Fenimore Cooper's Tales* James Fenimore Cooper,1897      **Cooper's 'Leather-stocking' tales, comprising The Deerslayer. The Pathfinder, The last of the Mohicans, The pioneers, The prairie** James Fenimore Cooper,1867      *LEATHERSTOCKING TALES - Complete Collection* James Fenimore Cooper,2017-05-29 The Leatherstocking Tales is a series of five novels featuring the main hero Natty Bumppo known by European settlers as Leatherstocking and The Pathfinder and by the Native Americans as Deerslayer and Hawkeye Natty Bumppo is a resourceful Anglo American woodsman raised in part by Native Americans who later becomes a fearless warrior skilled in many weapons chiefly the long rifle His constant companion is his brother Chingachgook Mohican chief who happens to be the actual last of the Mohicans The stories take place on the rapidly advancing frontier of New York State and focus on the evolution of the wilderness into a civilized European American community Table of Contents The Deerslayer The First Warpath The Last of the Mohicans A Narrative of 1757 The Pathfinder The Inland Sea The Pioneers The Sources of the Susquehanna The Prairie James Fenimore Cooper 1789 1851 was a prolific and popular American writer of the early 19th century His historical romances of frontier and Indian life in the early American days created a unique form of American literature Before embarking on his career as a writer Cooper served in the U S Navy which greatly influenced many of his novels The novel

that launched his career was *The Spy* and he wrote numerous sea stories His best known works are five historical novels of the frontier period known as the *Leatherstocking Tales* Among his most famous works is the Romantic novel *The Last of the Mohicans* often regarded as his masterpiece      **Tales and Souvenirs of a Residence in Europe** Judith Page Walker Rives,1842      **Honest Patriots : Loving a Country Enough to Remember Its Misdeeds** Donald W. Shriver Jr. President of the Faculty and William E. Dodge Professor of Applied Christianity Union Theological Seminary (Emeritus),2005-02-18 In *Honest Patriots* renowned public theologian and ethicist Donald W Shriver Jr argues that we must acknowledge and repent of the morally negative events in our nation s past The failure to do so skews the relations of many Americans to one another breeds ongoing hostility and damages the health of our society Yet our civic identity today largely rests on denials forgetfulness and inattention to the memories of neighbors whose ancestors suffered great injustices at the hands of some dominant majority Shriver contends that repentance for these injustices must find a place in our political culture Such repentance must be carefully and deliberately cultivated through the accurate teaching of history by means of public symbols that embody both positive and negative memory and through public leadership to this end Religious people and religious organizations have an important role to play in this process Historically the Christian tradition has concentrated on the personal dimensions of forgiveness and repentance to the near total neglect of their collective aspects Recently however the idea of collective moral responsibility has gained new and public visibility Official apologies for past collective injustice have multiplied along with calls for reparations Shriver looks in detail at the examples of Germany and South Africa and their pioneering efforts to foster and express collective repentance He then turns to the historic wrongs perpetrated against African Americans and Native Americans and to recent efforts by American citizens and governmental bodies to seek public justice by remembering public injustice The call for collective repentance presents many challenges What can it mean to morally master a past whose victims are dead and whose sufferings cannot be alleviated What are the measures that lend substance to language and action expressing repentance What symbolic and tangible acts produce credible turns away from past wrongs What are the dynamics psychological social and political whereby we can safely consign an evil to the past How can public life witness to corporate crimes of the past in such a way that descendents of victims can be confident that they will never be repeated In his provocative answers to these questions Shriver creates a compelling new vision of the collective repentance and apology that must precede real progress in relations between the races in this country      *The Leather Stocking Tales* James Fenimore Cooper,1898      *Table of Contents* John McPhee,2011-04-01 First published in book form 1985 *Table of Contents* is a collection of eight pieces written by John McPhee between 1981 and 1984 Geographically and thematically they range from Alaska to New Jersey describing for example the arrival of telephones in a small village near the Arctic Circle and the arrival of wild bears in considerable numbers in New Jersey swarming in from the Poconos in search of a better life The essays in this collection which *The New York Times* called pretty close to flawless offer an excellent

introduction to the work of one of our finest writers      **The Sting In The Tale** Jean Hill, 2015-07-22 This is a book of topical poems reminiscent of our times Some will make you laugh and some will make you cry All are written with feeling Short stories that will fill your heart with humour and fill your mind with thought      **The Pioneers, Or the Sources of the Susquehanna; a Descriptive Tale. By the Author of "The Spy" [J. F. Cooper].** ,1823      **Him with His Foot in His Mouth and Other Stories** Saul Bellow, 1998 This dazzling collection of shorter fiction describes a series of self awakenings a suburban divorcee deciding among lovers a celebrity drawn into his cousin s life of crime a father remembering bygone Chicago an artist and an academic awaiting extradition for some unnamed offense      **Bulletin** New York State Museum, 1976      **Leatherstocking Tales: Complete Western Series (Illustrated)** James Fenimore Cooper, 2022-11-13 The Leatherstocking Tales Complete Western Series Illustrated by James Fenimore Cooper is a seminal work that intricately weaves adventure nature and the moral dilemmas of American frontier life through the character of Natty Bumppo a quintessential American hero Cooper s distinctive literary style combines vivid descriptions rich characterizations and philosophical musings reflecting the Romantic ideals of the 19th century while also confronting the themes of civilization versus wilderness Set against the backdrop of the early American frontier the novel series explores the conflicts between Native American tribes and European settlers illuminating the complexities of American identity during a transformative period in history The accompanying illustrations further enhance the immersive experience bringing to life the landscapes and characters of Cooper s rich narrative tapestry James Fenimore Cooper a prominent early American novelist became known for his exploration of themes concerning the American experience Born in 1789 in Burlington New Jersey Cooper s early life in the wilderness of upstate New York profoundly influenced his writings His experiences as a sailor and frontier dweller provided him insight into both the beauty and brutality of life on the American frontier imbuing his tales with authenticity and depth His commitment to capturing the spirit of early America has earned him a lasting place in the pantheon of American literature This illustrated edition of the Leatherstocking Tales is a must read for anyone intrigued by the narrative foundations of American literature and the complexities of its historical narratives It not only offers a thrilling adventure but also challenges readers to reflect on the moral implications of westward expansion and their enduring relevance Whether you are a student historian or literary enthusiast Cooper s work invites you to delve into the heart of America s mythic past making it an essential addition to your literary collection      Report of Investigations ,1951      Tale of the Taconic Mountains Mike Romeling, 2013-02 Everyone had an agenda and it just seemed like coincidence and of little consequence that they happened to end up in the small town of Cedar Falls nestled at the base of Bakers Mountain deep in the ancient Taconic Mountain range Completely involved even obsessed with their own pursuits it was hardly surprising the visitors would be unaware of older agendas both within the dying town and up in the forests and ridges of the mountain looming above There was the discontented novelist fleeing his job and his family hoping to regain his mojo with a young

girlfriend and a new book a mother in search of her long estranged daughter but finding first an unlikely romance with the proprietor who loved his failing bowling establishment like a child at least when he wasn't making plans to burn it down for the insurance a soap opera queen who thought she was stopping by for a simple PR gig for the PETA folks when the town was plagued by thousands of bats in search of a new home Instead found herself revisiting Gretchen Foley the frightened disturbed child she had been before emerging as the famous Amber Steele There were the two Native American friends who came to climb the mountain in search of the fabled quartz Spirit Stones of their Mohican ancestors the young man who wanted to retrace the steps of his grandfather who once lived along the river that flowed through town But instead he would come to grief and need to be carried down the mountain by the mysterious and seemingly ageless Boudine sisters who had led secluded lives high on the mountain as long as anyone could remember Few knew where these strange women had their cabin but the dying Randle Marsh did and it was said that he visited the sisters often as he tried to live on endlessly as dark rumors suggested the sisters did The rustic Wayne Funt knew where they lived too but he would leave them strictly alone until he and his dog Duke played a major role in the mayhem that broke out during the raging Christmas snowstorm that buried the town and the mountain This collision of clashing agendas was presided over by a sheriff who did the best he could to navigate a safe landing for as many as he could who shared the wild ride on this memorable often frightening year And if the result could often be laced with humor and absurdity it was always tempered sometimes tragically with what has always been true sometimes deep in the heart of the New England mountains there are things going on things both lighter than air and darker than starless night
