Tales Of The Road Essays On A Half Century Of Travel:

Tales of the Road Jerry R. Davis, 2004-09 *Tales of the Road* is a collection of delightful travel vignettes. The author describes many odd, strange, and curious events which befell him as he was visiting different places in the world over the past fifty years. Its pages are filled with unusual and interesting characters like the very tall transsexual in Minneapolis, Minnesota; a generous subway security guard in Rome, Italy; an angry lady cyclist in Bremerhaven, Germany; and a money-hungry taxi driver in Beijing, China, to name only a very few. The volume is illustrated by the author with whimsical drawings that give the book charm, depth, and just the right touch of humor. **Hit the Road, Jack** Gordon Slethaug, Stacie Ford, 2012. Revealing the road as an icon of American culture always under construction. **Reminiscences of the King's Theatre and Theatre Royal Drury Lane, Including a Period of Nearly Half a Century ...** Michael Kelly, 1826. *Java Essay* Masatoshi Iguchi, 2015-01-28. *Java Essay* The history and culture of a southern country encompasses many different aspects of the history of Java, Indonesia, offering a unique insight into the Asian country and exploring how its history has impacted on its culture. Author Masatoshi Iguchi explores a panoply of historical events ranging from the deportation of Japanese Christians in the early 17th century to Batavia, the Indonesian capital now commonly known as Jakarta, to the history of the kingdoms that built Borobudur and Prambanan. The study of stone inscriptions from ancient and medieval times as well as a number of old records and documents of both domestic and foreign origins are intertwined with the author's own insight and thought on the facts and events of Indonesia. Masatoshi's personal experiences of visiting the indigenous people of Indonesia highlight the interesting nature of a country not yet fully understood. Within the book is an abundance of photographs and drawings intended to provide readers with visual aids that further their insight into this country's history and culture. Written in an accessible style with reference to external sources, *Java Essay* is a history book that will appeal to readers with an interest in the history and culture of Indonesia. It will prove a fascinating read for academics as well as travellers and visitors to Indonesia alike. The Cumulative Book Index, 1959. *Making and Unmaking the Prospects for Rhetoric* Theresa Jarnagin Enos, 2013-12-02. The 1996 Meeting of the Rhetoric Society of America commemorated the 25th anniversary of the publication of Lloyd Bitzer and Edwin Black's *The Prospect of Rhetoric*. In so doing, the conference gave scholars and teachers in various disciplines from all over the country the opportunity to talk about new prospects for rhetoric. The conferees were asked to present their vision of rhetoric studies or to demonstrate what rhetoric studies could be by example. Their essays presented in this volume illustrate a discipline at odds over the future and demonstrate the continued influence and vitality of other papers on the same subject published some 25 years ago. **J.R.R.
