*The Missionary's Curse and Other Tales from a Chinese Catholic Village* Henrietta Harrison, 2013-06-01 The Missionary's Curse tells the story of a Chinese village that has been Catholic since the seventeenth century drawing direct connections between its history the globalizing church and the nation Harrison recounts the popular folk tales of merchants and peasants who once adopted Catholic rituals and teachings for their own purposes only to find themselves in conflict with the orthodoxy of Franciscan missionaries arriving from Italy The village's long religious history combined with the similarities between Chinese folk religion and Italian Catholicism forces us to rethink the extreme violence committed in the area during the Boxer Uprising The author also follows nineteenth century Chinese priests who campaigned against missionary control up through the founding of the official church by the Communist Party in the 1950s Harrison's in depth study provides a rare insight into villager experiences during the Socialist Education Movement and Cultural Revolution as well as the growth of Christianity in China in recent years She makes the compelling argument that Catholic practice in the village rather than adopting Chinese forms in a gradual process of acculturation has in fact become increasingly similar to those of Catholics in other parts of the world

up a very real and honest question Can the biblical teaching about love actually be practiced The answer he discovered is a resounding yes The radical love of God is not only real but it is the key to experiencing joy in the pain and suffering of this world Believers must look to the Scriptures for God s teaching on the true nature of love its divine origins and its power for those who trust in Christ This book offers reflections on the Bible s consistent teaching on love and shares real life experiences of learning to love in difficult situations      **Jake and Josie's Discovery** JB Price,2015-04-27 Secrets Everyone has a few Except for the pleasant ones that produce a knowing smile and put a definite spring in our step we tend to hide bury or camouflage the others It is the others that the Roberts siblings have knowingly and unknowingly buried Though their lives are littered with clues they are oblivious to the connection between the two For such secret keepers it is not only disturbing but also disarming when the new family next door begins to openly share their smiley secrets and discreetly disclose the ones that generate tears The Diamond family s openness about life encourages Jake and Josie to unearth their never before revealed stories What they discover is alarming Will they choose the love that heals and the truth that sets free Or will they allow the past to continue to define their present and predict their future Discoveries await either way      The Orioles Are Back and Other Stories Book In English- Chandrakanta Chandrakanta,2023-09-27 Embark on tales of nature and wonder with The Orioles are Back and Other Stories by Chandrakanta where the beauty and mystery of the natural world come alive through captivating narratives Eminent writer Chandrakanta s writing s encompass both socio economic and political situa tions as they have repercussions on human life She concentrates on the value system and humanism Her writings include problems and ques tions of identity of women and the less privileged the effect of globali sation broken relationships and clashes between inner realities hopes and dreams of people with outer harsh realities of the system The Orioles are Back Abbu had said stories show case the human values The effect repercussions caused by militancy is portrayed in stories The black Snow The Voice The dispossessed Gasha Koul Old age issues in changing times are dealt with philosophically in Exile The dream of roses and Rights for the departed show the mirror to corruption in society Amidst wrong people is based on hopes empathy and dreams of marginalised people Lark in the heart is based on aspirations and wish to connect with people dispassionately Remaining stories like Thresh hold of justice show the plight and sufferings of women suppressed under the societal superstitions This collection of her stories has different shades and colours of society

*Simple Gold* J. Michaels,2010-01-15 Gold has always symbolized material riches It is a simple element that somehow exceeds its intrinsic value Its pursuit has become for many the primary goal of life What is it that attracts us so about money and the material things it can buy Is our fear assuaged by the perceived safety from a rainy day or do we believe that enough things will somehow fill the emptiness inside I would hazard to guess that no amount of money has ever made anyone happy ever True happiness comes from finding our center that place deep within each of us that cries out to be filled a place that has been empty and found wanting since the beginning of time No Then ask yourself why a world founded on materiality is so

screwed up and why the coveting of wealth so often lays waste to lives compassion and families in the pursuit of such things The happiest people I know are those who treasure love peace and freedom over the chains imposed by the ownership of material things These truly fortunate few are filled and made happy by the knowledge of a divine presence within a presence that offers riches that satisfy the soul They know that everything here is nothing in eternity They my friends are the truly happy ones So let us abandon our search for the pot of gold at the end of the rainbow the quest for the fountain of youth or enlightenment in a capsule Let us put aside these shallow offerings and pursue instead the divine life the life that makes pale and lifeless the pursuit of simple gold Join me here as we unwrap celestial gifts not of gold coins but of joy and freedom
