Forest Folk Tales for Children Tom Phillips, Amanda Vigor, 2019-06-03 Nestled within our green and pleasant land lies pockets of emerald trees Their roots search deep into the ground and the branches reach high towards the sun For centuries some of these have stood watching and listening to the human creatures living among them hearing their stories and remembering What mysteries could these woodlands tell if the trees could speak Stories of brave deeds and foolish star crossed lovers of monsters giants and witches hobs and kings Discover the secrets of our forests in this engaging collection of folk tales

The Wolf, a Lily and a Big Old Tongue J. D. Wellander, 2016-07-22 It has been two years since amateur sleuths Lucie and Avalon tackled three crimes that shocked everyone in their town of Wesley Now that summer is coming to a close the girls decide to head by train to the North Shore of Lake Superior to visit Lucie's grandparents Not long after the girls arrive at Lucie's grandparents home they decide to take a walk around the town's historic district Fueled by curiosity the girls enter an unlocked abandoned shop As they dig through the boxes inside Lucie and Avalon make a frightening discovery After the police are called the girls return home where they soon learn that what they found is just the beginning of a sixty year old complex mystery that is about to unravel and reveal a shocking truth to the world In this shadowy tale two girls are catapulted from innocence to sheer horror after they make a terrifying discovery in a peaceful town on the North Shore of Lake Superior

Tales from the Forest Emily Hibbs, 2020-09-03 Discover the animals who call the forest home in this beautiful collection of twenty original tales A special gift to share with nature lovers of all ages The forest is full of life As the seasons change climb trees with Bear Cub explore the night skies with Firefly stay cozy underground with Mole and discover snowflakes with Fox With colour illustrations on every page TALES FROM THE FOREST is perfect for younger readers or for older children to read independently

The Old Forest and Other Stories Peter Taylor, 1985 Recipient of a senior fellowship from the National Endowment for the Arts in 1984 Taylor here collects 14 of his short stories Set in his native South between the two world wars these tales of domestic life explore the extraordinary world of manners expectations and unspoken understandings They reveal not only Taylor's emotional depth and power of observation but also his understanding of the social and economic peculiarities of the American South in the years before racial integration Among the stories included are The gift of the Prodigal Promise of Rain A Walled Garden Bad Dreams The Little Cousins and Rain in the Heart ISBN 0 385 27983 3 16 95

Picking up Pennies J. D. Wellander, 2014-07-31 Lucie and Avalon have just finished school and it's time for summer break They are ready for three months of fun and adventure Little do they know danger is about to spoil their plans In their small town where everybody knows everybody three crimes shock the neighborhood and set everyone on edge First there is a liquor store robbery followed quickly by an act of arson In both of these cases the criminal is brought to justice It's

none other than Bob Harden a known villain and misfit When local boy Charlie goes missing though Bob is not so easy to blame It might take some sleuthing to solve this one Never ones to back down from adventure Lucie and Avalon decide to search for the missing boy The clues are sparse beyond an odd trail of pennies leading down to the local lake Soon the girls are in dangerous circumstances they never expected Still they press on brave as ever in search of Charlie as they struggle to save summer

Bear Tales in Minority Languages Tatiana B. Agranat, Leyli R. Dodykhudoeva, 2025-03-13 This multilingual collection of stories encompasses a broad range of minority endangered languages from diverse world cultures It constitutes an innovative way of introducing the reader to these languages many of them very little known or on the verge of extinction These tales most of them previously unpublished or inaccessible are made available for the first time with interlinear morphemic glossing English translation and background context They provide linguists and researchers with revealing insight into the lexical and morpho syntactic dynamics of the languages Beyond linguists and academic researchers this collection will also appeal to a wider audience For these stories handed down through generations are united by a common theme the Bear a figure prominent in myths and fairy tales worldwide invested with a diverse range of values cultural codes and legends by minority cultures Through representations of the Bear these stories provide a precious source of community values beliefs and visions in danger of extinction along with the languages that transmit them The Forest and the City Cecil C. Konijnendijk, 2008-05-20 Amsterdamse Bos Bois de Boulogne Epping Forest Grunewald Zoni nwould throughout history cities in Europe and elsewhere have developed close relationships with nearby woodland areas In some cases cities have even developed and in some cases are promoting a distinct forest identity This book introduces the rich heritage of these city forests as cultural landscapes and shows that cities and forests can be mutually beneficial Essential reading for students and researchers interested in urban sustainability and urban forestry this book also has much wider appeal For with city forests playing an increasingly important role in local government sustainability programs it provides an important reference for those involved in urban planning and decision making public affairs and administration and even public health From providers of livelihoods to healthy recreational environments and from places of inspiration and learning to a source of conflict the book presents examples of city forests from around the world These cases clearly illustrate how the social and cultural development of towns and forests has often gone hand in hand They also reveal how better understanding of city forests as distinct cultural and social phenomena can help to strengthen synergies both between cities and forests and between urban society and nature *De Vere; or, The man of independence. By the author of Tremaine [i.e. Robert Plumer Ward].* afterwards PLUMER WARD WARD (Robert), 1833 The Two Surplices. A Tale ... Reprinted from "The Churchman's Companion." Ada Cambridge, 1865 *A Guide to Academic Writing* Irina Rupp, 2025-11-07 A Guide to Academic Writing How to Tame Your Essay presents a holistic approach to writing in academia To master academic writing it is not enough to learn specific rules and conventions Writers need to break down the process of writing and see how its various components

from researching to drafting influence the final outcome They must also understand how their emotions social interactions behavioural patterns and attitudes to their craft impact their writing A Guide to Academic Writing offers this training At the heart of the book is a four week course with each week dedicated to a specific aspect of the writer s training and each day dedicated to one of the five components of the writing process The course is supplemented by additional materials called weekend readings featuring personal stories about writing challenges reflections on conversations with students and discussions of writing samples The book aims to empower students throughout their writing journey offering a solid framework for improving their approach to writing in addition to warm advice and stories born of many years of tutoring teaching and writing **Thames and Tweed** George Rooper,1894 *Narrating the Future in Siberia* Olga

Ulturgasheva,2012-09-01 The wider cultural universe of contemporary Eveny is a specific and revealing subset of post Soviet society From an anthropological perspective the author seeks to reveal not only the Eveny cultural universe but also the universe of the children and adolescents within this universe The first full length ethnographic study among the adolescence of Siberian indigenous peoples it presents the young people s narratives about their own future and shows how they form constructs of time space agency and personhood through the process of growing up and experiencing their social world The study brings a new perspective to the anthropology of childhood and uncovers a quite unexpected dynamic in narrating and foreshadowing the future while relating it to cultural patterns of prediction and fulfillment in nomadic cosmology **The**
