Tales and Towns of Northern New Jersey Henry Charlton Beck, 1983 *Tales and Towns of Northern New Jersey* Henry C. Beck, 1967-01-01 **Encyclopedia of New Jersey** Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey [Jersey Genesis](#) Henry Charlton Beck, 1983 Long regarded as folklife classics Henry Charlton Beck's books are vivid recreations of the back roads small towns and legends that give New Jersey its special character Rutgers University Press is pleased to make these important books available again in newly designed editions [Ghosts of Northwestern New Jersey](#) Robert Oakes, 2022 The rolling hills picturesque farms and lush highlands of northwestern New Jersey exemplify the often overlooked natural beauty of the Garden State But among its historic towns and scenic vistas lurk haunting mysteries and unexplained apparitions A recluse who practiced witchcraft generations ago is said to be still spinning misdeeds as the Sussex Sorcerer on Sunrise Mountain The ghost of Reverend O Malley walks the woods around Mount Allamuchy as the Purple Bishop seeking vengeance against those who betrayed him The sinisterly named Shades of Death Road along the sod farms and meadows of the Pequest River Valley has a bloody reputation of bandit killings and supernatural encounters Author Robert Oakes leads readers on a spirited journey through the historic ghost lore of Northwestern New Jersey *Forgotten Towns of Southern New Jersey* Henry Charlton Beck, 1983 Composed for the most part from sketches that were published in the Courier Post newspapers of Camden New Jersey Beck provides us with a series of stories of towns too tiny or uncertain for today's maps Together these sketches help to create a more complete picture of the history of New Jersey A connecting skein of untold or little known wartime history the Revolution the War of 1812 and the conflict of North against South runs through most of the sketches Many of the sketches concern the pine towns and their people the pineys who lived in the Jersey pine barrens

Finding North Jersey James W. Marcum, 2012-10-09 Northern New Jersey is one of the most densely populated places in the nation but it is constantly defined by its relationship to New York City In this insightful study longtime North Jersey resident James Marcum asks why looking well past the false stereotypes to a distinct regional culture and fascinating history How did North Jersey become what it is today and even more fundamentally can we define its boundaries Is it essentially suburban What characterizes the region and its people Join Marcum as he explores these and other issues to come to a better understanding of one of the most intriguing and diverse corners of the Garden State *New Jersey (States and the Nation)* Thomas Fleming, 1984-08-17 When members of the colonial assembly warned Governor Philip Carteret in 1668 that he should abandon any expectations that things must go according to your opinions they struck a keynote for the New Jersey

experience and suggested to author Thomas Fleming what perhaps should have been the state's motto Divided We Stand Ethnic diversity made New Jersey an early testing ground for the melting pot as Yankees Irish Italians and blacks strove for a chance at the good life To many that meant a job in the factories that made the state an industrial pioneer to others it meant life on the farms that made New Jersey truly the Garden State Mr Fleming concludes that today New Jersey may be in the vanguard of a new American way of life the first metropolitan state with equally convenient access to cities and to countryside He foresees an equally oriented New Jersey honestly and efficiently governed reminding the nation that divisiveness and acrimony can have more than one outcome After all New Jerseyites may have voted repeatedly for the Boss of Bosses Frank Hague but they also once chose as their governor a Princeton professor named Woodrow Wilson

The Shore Ghosts and Other Stories of New Jersey Larona Homer, 1981-06 When the old fisherman saw an eerie blue light begin to flash in a downstairs window of the deserted beach house he started to run Footsteps began to follow him he heard them crunching in the sand Ghosts and smugglers at the shore a brother and sister alone on a terrifying trip to freedom on the underground railroad a courageous boy in a devastating fire a horse that spends the night in a guest room these are but a few of the characters brought to life in this charming collection of exciting short stories about New Jersey These tales could all be true They are based on either fact or legend and they are located all over the state from its southernmost tip at Cape May to Johnsonburg and Morristown in the north and many points in between You've probably been to some of these places yourself Maybe one of these stories happened right where you live
