Tales From The Country Matchmaker:

Tales From the Country Matchmaker Patricia Warren, 2011-09-29 Since she founded the Farmers and Country Bureau from her farmhouse in the Peak District more than twenty years ago Patricia has been helping love blossom the length and breadth of rural England She has hundreds of marriages to her credit and numerous babies including one set of quads A born matchmaker whose warmth patience and humour have literally changed the lives of hundreds of people here she brings us the stories of love and romance that she has helped to create Of course love isn't always on the cards for her clients Take George who wouldn't leave his lady friend until she'd finished knitting his jumper Or the pig farmer who omitted to take a shower But for the truly romantic take Harry the poetry writing farmer who found his perfect match just when he'd given up hope Patricia Warren's tales are pure delight and a heartening reminder that there really can be a happy ever after **A**

Hard Day's Work Patricia Warren, 2007 When Patricia founded the Farmers and Country Bureau over 30 years ago she never envisaged that she would be responsible for bringing together so many people This is a collection of stories of blossoming love and quirky misadventure **A Hard Day's Work** Patricia Warren, 2011-10-27 When Patricia founded the Farmers and Country Bureau more than 30 years ago she could never have envisaged that she would be responsible for bringing together thousands of people hundreds of weddings and dozens of babies But the dating agency she set up from the kitchen of her farmhouse has been a runaway success and fulfilled Pat's childhood dream of helping people to find true love Over the years she's become an expert in human behaviour acting as counsellor and comforter as well as matchmaker to lonely would-be lovers all over the countryside Her gentle wit and wisdom have transformed her clients' lives and her first book brought her a legion of fans Now those fans have another treat in store With more stories of blossoming love and quirky misadventure set against the background of a year on the farm *A HARD DAY'S WORK* is a feast of true life fairy tales for romantics everywhere **Why the Chisholm Trail Forks and Other Tales of the Cattle Country** Andy

Adams, 2010-06-04 This sparkling collection of tales told around Western campfires written by the master chronicler of the range is a literary find of great interest and genuine importance Andy Adams is remembered chiefly as the author of *The Log of a Cowboy* Among the most charming features of the *Log* are the stories the cowhands told around the fires at night when the day's work was done Similar and equally delightful stories are scattered throughout several other less successful novels long out of print while others that never saw publication were found by the editor among Adams' papers In the present book Wilson M Hudson has gathered together these tales of the trail and camp into one volume that surely will delight the hearts of all readers who are interested in the old West **Country Life Illustrated**, 2008 [Chinese Fairy Tales and Legends](#)

Frederick H. Martens, Richard Wilhelm, 2019-09-19 Fearless heroes feisty princesses sly magicians terrifying dragons talking foxes and miniature dogs They all feature in this enthralling compendium of Chinese fairy tales and legends along with an array of equally colourful characters and captivating plots Although largely unknown in the West the 70 plus stories in this

volume are just as beguiling as the more familiar Grimms Fairy Tales or Arabian Nights They were collected in the early 20th century by Richard Wilhelm and first translated into English by Frederick H Martens This beautifully produced revised and edited new edition includes updated notes which not only provide background on the tales but also offer a fascinating insight into ancient Chinese folk lore and culture These are stories to return to time and time again From awesome adventures to quirky allegories from the exploits of the gods to fables about beggars who outwit their betters Chinese Fairy Tales and Legends is extraordinarily diverse and endlessly engaging These wonderful stories have enduring and universal appeal and will intrigue both children and adults *Country Life* ,1916 **The New Country Life** ,1917 **New Books on Women and Feminism** ,2005 **The River Imp and the Stinky Jewel and Other Tales** ,2023-06-20 In Edo period Japan readers relished works known as kiby shi that combined text and illustration on the same page much like comic books and manga Monsters often took center stage in these stories This book presents a selection of Edo monster comics in English for the first time introducing readers to a captivating humorous and eye opening genre of popular fiction The River Imp and the Stinky Jewel and Other Tales collects five kiby shi published between 1778 and 1807 chosen for both entertainment value and stylistic variety Their authors reinvent traditional Japanese monsters as contemporary characters who mirror the foibles of the human world They tell stories such as The lover of the long necked rokuro kubi makes a ridiculous attempt to rescue her from her human captor A mischievous river creature steals a jewel lodged deep inside a boy s buttocks setting off a curious chain of events involving a historical samurai and a real life fart man A demon girl from hell is sent to the world of the living in order to destroy a sacred Buddhist statue but things don t go quite as she plans Exploring the grotesque comic bumbling salacious and charming world of these creatures the stories also provide a glimpse into the society and culture of Edo period Japan through the monsters distorted lens The kiby shi are reproduced in their entirety conveying the feel of the original comics and allowing readers to experience the full visual impact of the monsters **Folktales of the Jews, Volume 2** Dan Ben-Amos,Dov Noy,2006 Folktales from Eastern Europe presents 71 tales from Ashkenasic culture in the most important collection of Jewish folktales ever published It is the second volume in Folktales of the Jews the five volume series to be released over the next several years in the tradition of Louis Ginzberg s classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives at The University of Haifa Israel IFA a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the Ashkenasic

culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition

Herman Bosler Memorial Library** Bosler Memorial Library, Carlisle, Pa, 1913 **Family Herald**, 1846 *Is It Good for the Jews?* Adam Biro, Catherine Tihanyi, 2010-10-19 With *Is It Good for the Jews* Biro offers a sequel to his acclaimed collection of stories *Two Jews on a Train* Through twenty nine tales some new

some old but all finely wrought and rich in humor Biro spins stories of characters coping with the vicissitudes and reverses of daily life while simultaneously painting a poignant portrait of a world of unassimilated Jewish life that has largely been lost to the years From rabbis competing to see who is the most humble to the father who uses suicide threats to pressure his children into visiting to three men berated by the Almighty himself for playing poker Biro populates his stories with memorable characters and absurd yet familiar situations all related with a dry wit and spry prose style redolent of the long tradition of Jewish storytelling A collection simultaneously of foibles and fables adversity and affection Is It Good for the Jews reminds us that if in the beginning was the word then we can surely be forgiven for expecting a punch line to follow one of these days The Literary World ,1894 *Why the Chisholm Trail Forks* Andy Adams,1956
